# 30 Years of Leadership...

To Walter Harrington Ryle, seventh president of Northeast Missouri State Teachers College, 1937-1967, we proudly dedicate the Centennial Edition of the *Echo* in grateful appreciation of 30 years of devoted leadership to the school. His connection with the College spans a period equal to more than half of its lifetime, for he arrived on the campus of the Kirksville Normal School in September, 1913, as a freshman majoring in history, and he remained here until he graduated with the 90-hour diploma in 1916.

After an interruption to teach in Clifton Hill, near his home in Randolph county and to serve in the army during World War I, he returned to Kirksville in December, 1918, to complete the work for the Bachelor of Science in Education degree, which he received in August, 1919, in the first class to graduate from the school under its new name, Northeast Missouri State Teachers College. Nine years later he was back in Kirksville again, this time as a member of the faculty, a position he held until 1937 except for a year's leave of absence while he completed the requirements for the Ph.D. degree from George Peabody College for Teachers.

In those years on the faculty Dr. Ryle, professor of Social Science, taught courses in history and geography, served as director of the Bureau of Placements, and helped to organize the General College, becoming its first director in 1934. So much did he impress others with his talent, energy, and ability to accomplish prodigious amounts of work that the Board of Regents by unanimous vote chose him on August 31, 1937, to succeed Dr. Eugene Fair as President of the Teachers College just 19 days after President Fair's death.

During President Ryle's administration the College grew in size from 775 to 5,320 students, from a campus of 15 acres to one containing over 60 acres, from a faculty of 58 to one numbering 252, and from a physical plant of four major buildings to one of 25. In these years the program of the College was extended to include graduate work for the first time in the summer of 1947, and a number of new undergraduate programs were added. Since 1937, the campus has become a place of beauty with velvety lawns and a profusion of flowers, and its attractiveness is directly traceable to the efforts of Dr. Ryle who personally selected most of the trees, shrubs, and plants and supervised their care.

Dr. Ryle and Maurine Lea, who was a teacher in Randolph county, were married on June 7, 1927, and she has been an able partner in her husband's career and was a gracious and charming First Lady of Northeast Missouri State Teachers College.

TO MY FRIENDS,  
NORTHEAST MISSOURI STATE TEACHERS COLLEGE:

I join all Missourians, alumni and friends of the college in congratulating Northeast Missouri State Teachers College on its 100th birthday. In addition to my personal best wishes for more centuries of service, I know that I speak for all Missourians in extending official greetings on this memorable occasion. Your college is a unique institution and the service it has performed throughout the past hundred years has been truly distinctive.

Sincerely yours,

NORTHEAST MISSOURI  
STATE TEACHERS COLLEGE  
OFFICE OF THE PRESIDENT  
KIRKSVILLE

February 23, 1967

To the Students:

In this, the 1967 Centennial Echo, you will find a pictorial record of the past year's activities of the Northeast Missouri State Teachers College. It has been an important year not only for the College, but also for each of you. You are one year nearer your goal of success.

To you, the book will be a constant reminder of the days spent on the Teachers College campus. It should have a special meaning to each of you.

To the College, this book becomes another chapter in a book that has taken 100 years to write, and the writing will continue.

As the College begins its second century of educating young men and women, it is more important than ever that students receive the kind of education required to enable them to make significant contributions to society.

The editor and his associates should be commended for their efforts in providing the student body of this College with such a record of the Centennial year.

Sincerely,

F. Clark Elkins  
President

# College Celeb

Celebrating its Centennial anniversary, Northeast Missouri State Teachers College, founded as North Missouri Normal School and Commercial College, was established as the mother of the teacher education system of Missouri on September 2, 1867. Its founder, Joseph Baldwin, was one of America's pioneers in the field of teacher education.

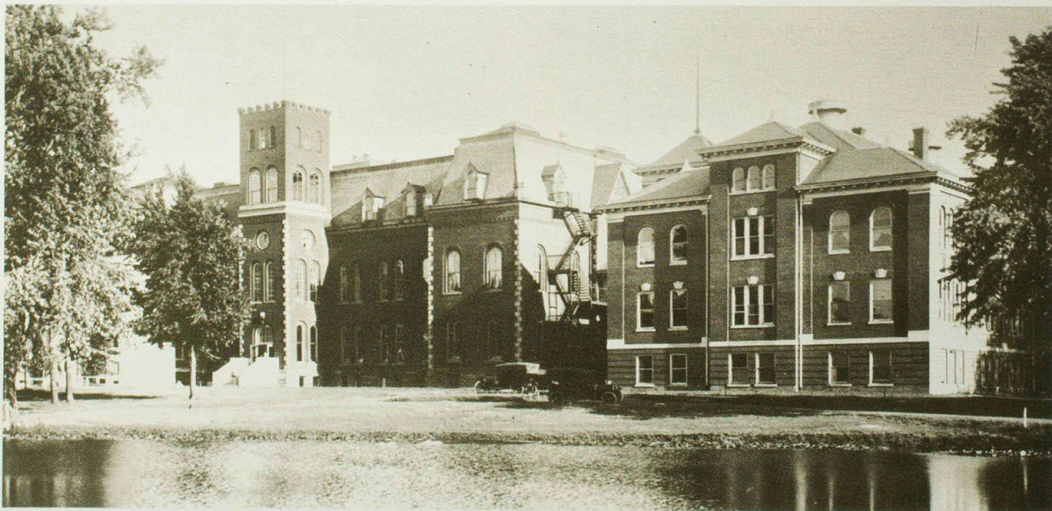

Beginning with a faculty of 6 and a student body of 140, Baldwin launched his philosophy, "that a thorough scholastic training lies at the foundation of a teacher's education." That philosophy has continued to be the "foundation" of the Teachers College for 100 years.

Baldwin started his school in one building which had formerly been the Cumberland Academy, a Presbyterian school. Not until May 17, 1871, did the present campus site begin to take form. On that date, the ground was broken for the construction of old Baldwin Hall.

That groundbreaking ceremony was the first of many that have taken place during the past century. The College has grown from one building to 25 major buildings. The site of the first Baldwin Hall was a 15-acre tract outside the southern limits of the city. The College now encompasses more than 60 acres, all of which lies within the city limits of Kirksville.

The Teachers College opened its doors for the first time on September 2, 1867. Classes were held in the old Cumberland Academy building, located at the north edge of Kirksville. The above picture is a photograph of a painting by William Unger.

The first buildings erected on the present site were old Baldwin and Library Halls, destroyed by fire in 1924, and Laughlin Hall.

# ates Centennial Anniversary

Growth has not been limited to land and facilities alone, however. The student body of 140 young men and women in 1867 could hardly have envisioned that in 1966, 99 years later, 5,320 students would be enrolling in their College. Nor could they imagine the faculty increasing from 6 to a number nearly 43 times that many, 252, in the same 99 years.

Changes have also taken place in the name of the institution. The school became known as the North Missouri Normal School in 1869, but the name was revised by the board in 1870 to be the First District Normal School. On May 20, 1919, the legislature officially changed the name of the College to The Northeast Missouri State Teachers College.

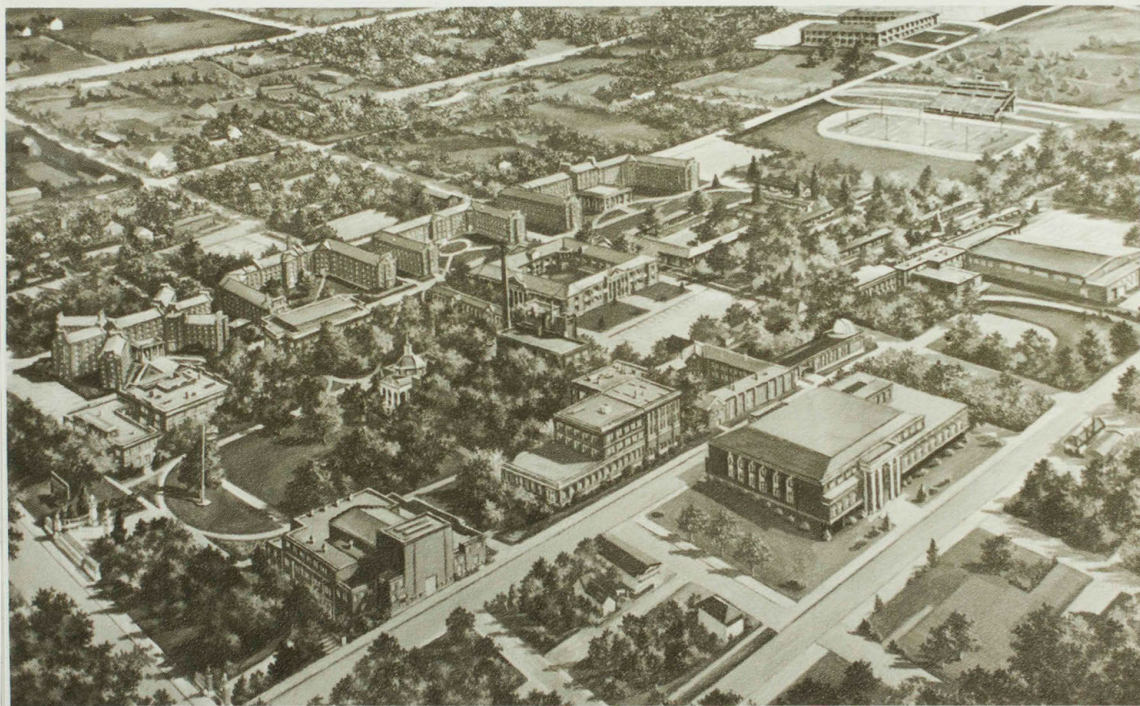

Permissive legislation was passed in 1945 allowing the five state teachers colleges to drop the word *Teachers* from their official name. All except Kirksville elected to do so. Legislation was introduced this year, however, to allow the Teachers College to drop *Northeast* from its title.

Eight men have held the presidency of the College since its inception. Following Baldwin in 1881 was W. P. Nason, a member of the original faculty. He served just one year as acting president. J. P. Blanton, superintendent of schools in Mexico, was elected president during the summer of 1882 and served until his resignation in 1891.

W. D. Dobson of Moberly was made president of the Normal School in 1891. Eight years later John R. Kirk, a former teacher, principal, superintendent, State Superintendent of Public Schools, and lawyer, was named as the administrative head of the College. Serving until 1925, Kirk was succeeded by Dr. Eugene Fair, a member of the faculty. Dr. Walter H. Ryle was named President in 1937 and served until January 31, 1967. Dr. F. Clark Elkins assumed the presidency on February 1.

The past 100 years have indeed brought many changes to the Northeast Missouri State Teachers College. But Joseph Baldwin's philosophy remains-- "... thorough scholastic training lies at the foundation of a teacher's education."

Artist William Unger's concept of the campus upon completion of the Student Union is shown in a photograph of his recent painting.

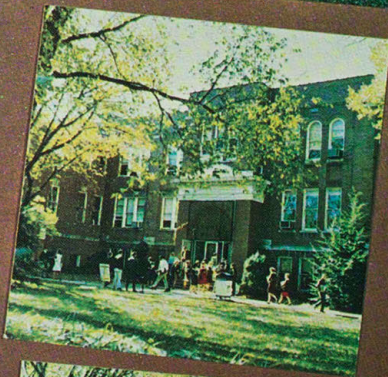

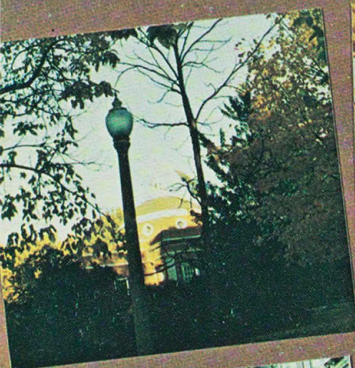

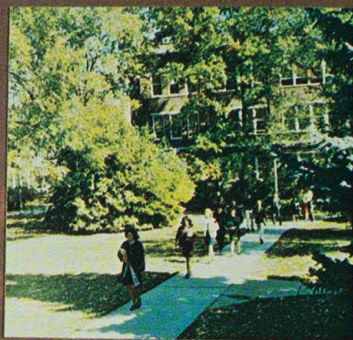

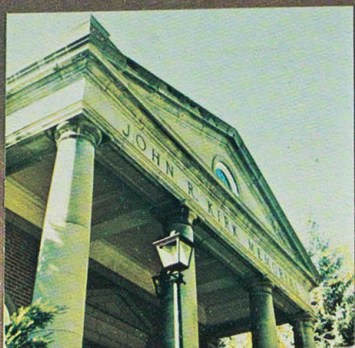

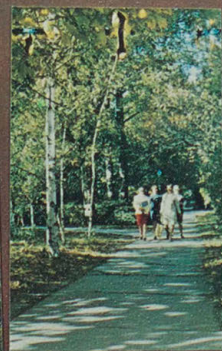

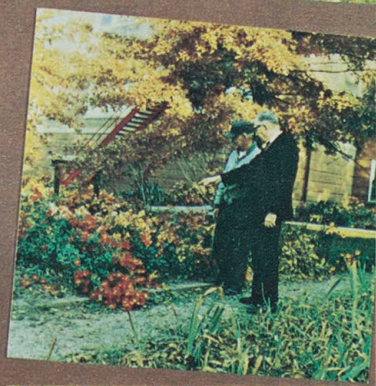

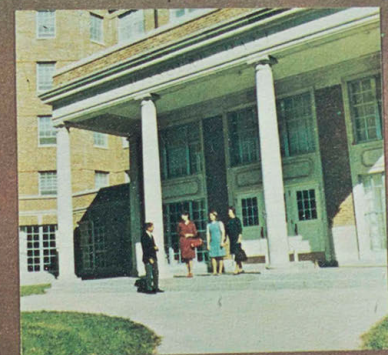

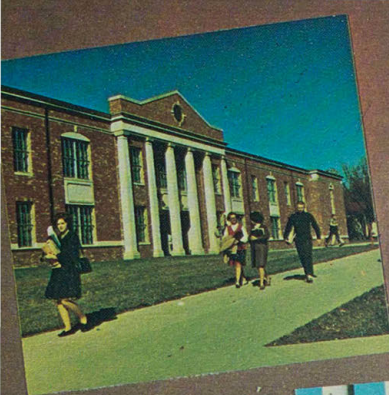

# Campus

Founded in 1867, Northeast Missouri State Teachers College is celebrating its Centennial year. Pictured upper center is the sign given to the College by the graduating classes of

1963. Located at the north entrance of the campus, the sign greets visitors and newcomers night and day.

Five thousand three hundred twenty students center their

attention on the campus. Of these, more than half live in housing on campus. Brewer Hall, upper left, and Nason Hall, right, provide housing for 260 women.

The Bulldog Kennels, lower left, house a major portion

of the athletes who have been awarded athletic scholarships. Another housing unit for boys — Dobson Hall — is pictured at lower center. Dobson provides rooms for 484 male students.

Contrasting the large with the small are Ryle Hall, Adair House, Grim Hall, and Missouri Hall. Ryle Hall, left, houses 610 girls and is the largest and newest of the girls' dormitories. Some of the outstanding features of this structure are a large

and colorful lounge, a library, a music room, and a sun deck.

Grim Hall, upper center, which houses 94 girls and Adair House, upper right, which provides rooms for 19 girls, are the smallest dormitories. They combine the bustling com-

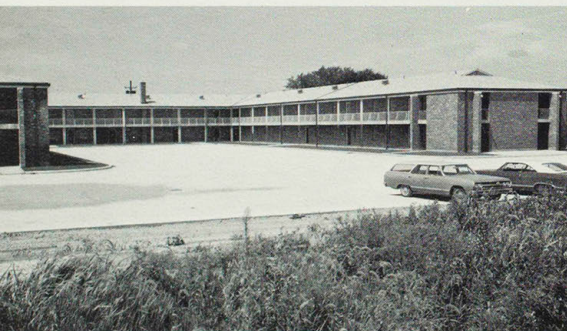

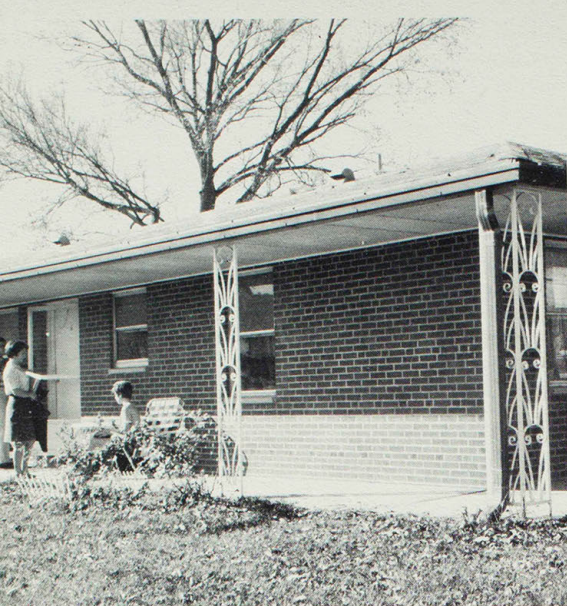

motion of campus life with the compact and friendly atmosphere of home.

Missouri Hall, lower right, is the largest of all the housing

units with a population of 658 boys. Besides sleeping quarters, the dorm provides a cafeteria, study areas, and five lounges with television.

Campbell Apartments, lower left, were completed in 1965 and provide living quarters for 64 couples. Located on the southeast edge of the campus, the complex offers both one and two-bedroom units.

Named for the 6th President of the College, Fair Apartments, upper left, offer 30 one-bedroom units for married couples.

Blanton Hall, lower center left, is one of the complex

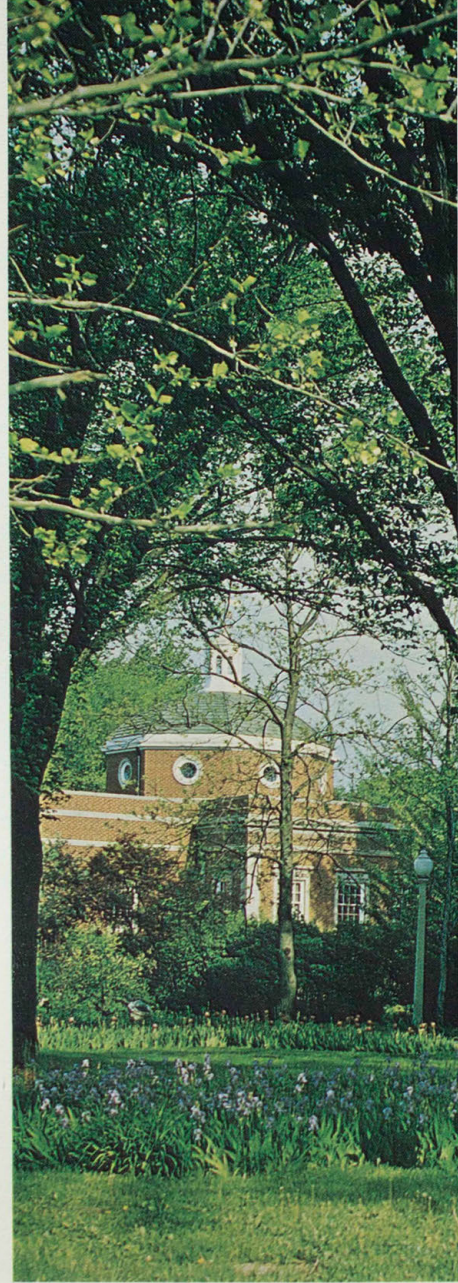

of girls' dorms and houses 144 students. The dormitory has a cafeteria, a large reception hall, laundry facilities, and recreation or social rooms on the ground floor. Besides these conveniences, a lounge and kitchenette are provided on each floor.

Baldwin Hall, upper center right, houses the main administrative offices, classrooms, the Little Theater, and the College Auditorium. Administrative officials quartered here include

the Board of Regents, the President, the Dean of Instruction, the Registrar, the Dean of Women, the head of the division of Extension Service, the head of the division of Personnel Service, and the head of the division of Business Service. Classrooms for the instructional divisions of Fine Arts and Language and Literature are located on the second and third floors.

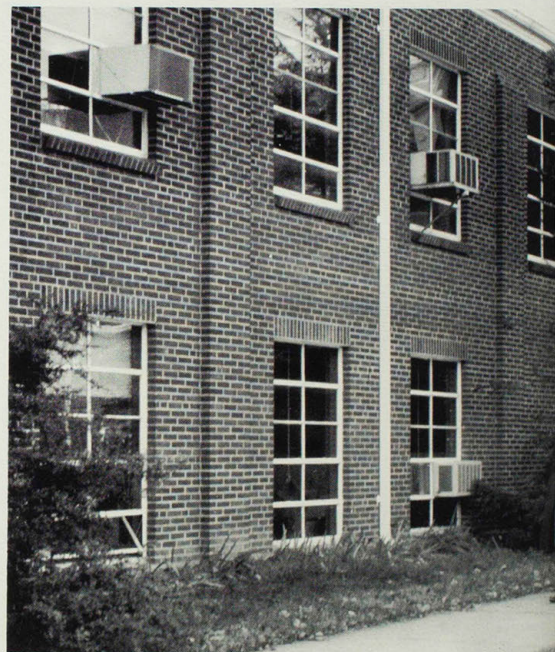

Kirk Memorial, lower center right and right, was built in honor of Dr. John R. Kirk who served as teacher and President of the College. It contains the Violette Museum, an assembly room, a conference room containing books and furniture associated with Dr. Kirk, and the office of the International Student Adviser.

Violette Hall, left, is the newest completed classroom and administrative building. Besides the office of the division of Public Relations and Information Service and the Alumni Office, the instructional divisions of Business Education, Education, Home Economics, Mathematics, and Special Programs are housed here. The completely air-conditioned build-

ing also quarters the Teacher Education Office, the Photography department, and the Echo and Index Office.

Ophelia Parrish, upper center, houses the Kirkwood Junior High School which is a center of student observation and teaching. Some of the classrooms and offices of the division of Language and Literature are also found in this building.

Science Hall, lower center, which is being expanded at the present time, has offices, laboratories, classrooms, stock-rooms, and a geology museum. All of these are related to the teaching and research projects of the various science classes.

Laughlin Hall, right, is the oldest of the classroom and

administrative buildings. Although it was built in 1905, it was recently remodeled in order to adequately house the division of Social Science. Also quartered here are the offices of the division of Maintenance and the Director of Admissions, and the Campus Book Store.

Pickler Memorial Library, left, was completed in 1925 with the new addition being completed this year. Besides a general reading room, the library has a reserve room, a periodical room, the Missouriiana room, the Glenn Frank Memorial Library, newspaper files, and microfilm storage. The Archives, which contain various historical documents of most campus organizations along with a copy of many of the

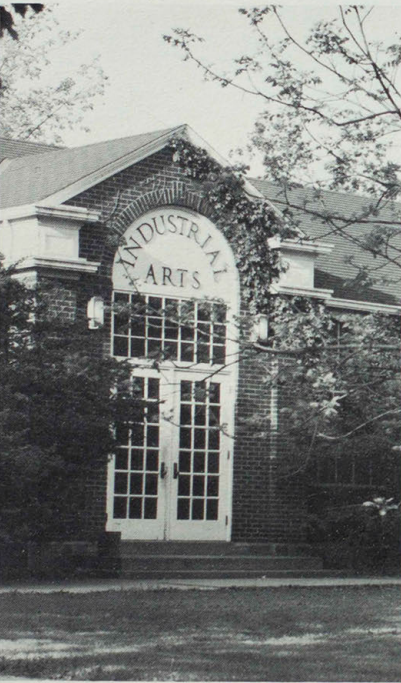

documents of each President, is also located in the library.

Stokes Stadium, upper center, seats 4,500. Atop the grandstand are press boxes, announcer's booths, camera stations, and seating for College guests.

Pershing Building, upper right, is the field house and also houses physical education and health classes, intramurals, and collegiate athletic programs. A new addition, which was

completed this year, contains space for the women's physical education program, a dance studio, and nursing education facilities.

Industrial Arts building, lower center, is occupied by the division of Practical Arts. It contains space for shop equipment, classrooms, and a darkroom for the College photographer.

Kirk Building, lower right, is the site of many social

functions. The first floor walkway or Sociability Hall is the scene of various dances, receptions, and teas. Also located in Kirk Building are the office of the Dean of Student Affairs and the Health, College Physician, Student Council, Freshman Enrollment, and Stenographic offices. The Data Processing Center is located on the first floor and the Reading Clinic on the third.

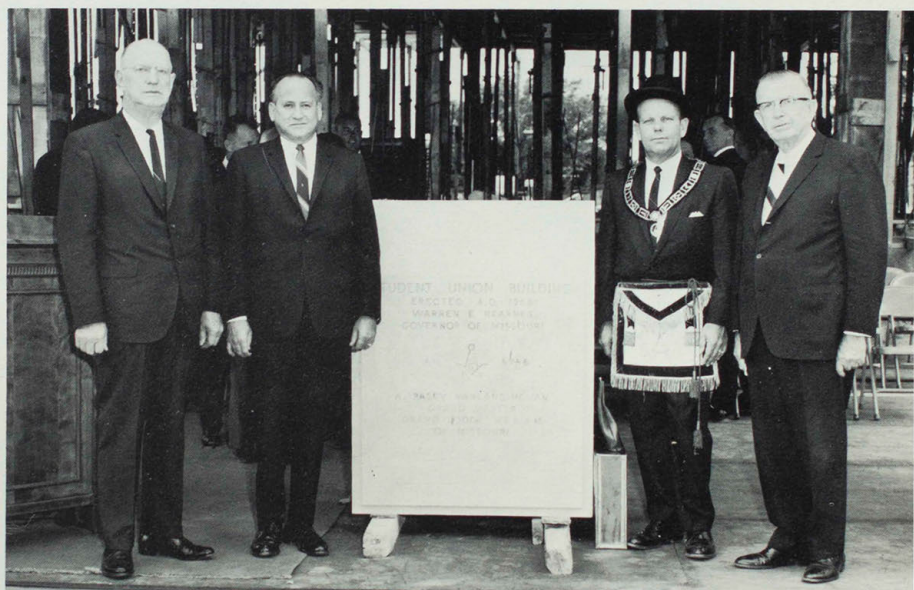

Ground-breaking ceremonies were held last spring quarter for the new \$2,300,000 Student Union. Harry Libby, last year's Student Council president and Paul Comer, current Student Council president, do the honors, at left. Below center, the Thomas Construction Company move along in the construc-

tion of the Union which has spanned the past year. Completion date is set for next September. Will W. Davis, administrative assistant to Governor Warren E. Hearns gave the dedicatory address at the laying of the cornerstone for the Student Union during summer quarter graduation activities.

Pictured at the ceremonies, below right are P. M. Marr, Mr. Davis, Sen. A. Basey Vanlandingham, and Dr. Walter H. Ryle. Winter quarter was spent by the Reed Construction Company putting the final touches on the 29,300 square foot

addition to Pickler Memorial Library, above center. Mrs. Warren E. Hearnnes, wife of Missouri's Governor, delivered the address dedicating the addition's cornerstone. Shown with Mrs. Hearnnes, above right, are P. M. Marr and Dr. Ryle.

# Academics

Mrs. Mary Alice Bunney, secretary of the Board of Regents and an alumnae of the College, is the first woman ever to serve on the Board. A former teacher, Mrs. Bunney is from Shelbyville. She is a member of the Missouri Federation of Women's Clubs. She was named to the Board in 1963.

Glenn H. Bolton serves as vice president of the Board. He is the manager of Tri-County Electric Cooperative in Lancaster and was appointed to the Board in 1963. Mr. Bolton is active in the First Christian Church in Lancaster. He attended the Teachers College in 1928 and 1929.

The President of the Board of Regents, James R. Reinhard, was appointed to the Board in 1965. A lawyer in Paris, Mr. Reinhard is a member of Royal Arch Masons, Moolah Shrine, and the Board of Deacons of the First Presbyterian Church in Paris. He is an Honorary Colonel for Governor Warren E. Hearnes and is active in state and local Bar Associations. Mr. Reinhard attended the Teachers College from 1947 to 1950.

# Board of Regents

Appointed to the Board in 1965, John H. Bartow, Brunswick, operates a hardware store, is part owner of a pecan company, and is a real estate broker. He has served as a member of the Brunswick City Council, a civil defense director, president of the Lion's Club, and commander of the American Legion.

Bruce H. Hunt, Kirksville, was appointed to the Board of Regents January 1, 1967. He is Grand Secretary of the Grand Chapter, Royal Arch Masons and the General Grand Recorder of the General Grand Council of Royal and Select Masters International. Mr. Hunt is a former Grand Master of the Grand Lodge of Missouri.

Raymond E. Baker, Brookfield, an alumnus of the College, was appointed to the Board of Regents effective January 1, 1967. He owns the Pepsi-Cola Bottling Company in Brookfield. In addition to being active in Bottlers Associations, Mr. Baker is a member of the Board of Directors of the Brookfield Banking Company. He is an Honorary Colonel for Governor Warren E. Hearnes and an elder of the First Presbyterian Church in Brookfield.

# Dr. F. Clark Elkins Becomes 8th President

Dr. F. Clark Elkins became the 8th president of the Teachers College on February 1, 1967. Before assuming the presidency, he was president of Chadron State College, Chadron, Nebraska.

A native of Arkansas, Dr. Elkins received the B.A. degree from Arkansas State Teachers College, the M.A. degree from the University of Arkansas, and the Doctor of Social Science degree from Syracuse University.

Dr. Elkins has also attended the University of North Carolina and has done post-doctoral study at the University of Minnesota.

An examiner and consultant for the North Central Association of Colleges and Secondary Schools, the new president is also chairman of the Visitation and Accreditation Committee for the Western Section of the National Council on Accreditation for Teacher Education.

Dr. Elkins and his family have rapidly become a part of the Teachers College. Mrs. Elkins is a former teacher, and Annette is a student at Ophelia Parrish Junior High School.

# Student Council

Row 1: Donna Crooks, junior class councilwoman; Tania Yeager, secretary; Larry Johnsen, vice president; Paul Comer, president; Connie Ferguson, treasurer; Lou Coco, councilman; Bette Cox, councilwoman. Row 2: Phil DiRuocco, senior councilman; Susie Henderson, sophomore councilwoman;

Jeanette Scott, graduate councilwoman; Ken Wright, graduate councilman; Kenneth C. Sykes, adviser; Jerry Johnson, sophomore councilman; Frank Wagner, freshman councilman; Jack Simmons, junior councilman; Pat Hamilton, council member-at-large; Mary Beth Fleming, freshman councilwoman.

Under the leadership of Paul Comer, Student Council President, the 1966-67 council held its opening meeting with the seven members elected in the spring present. These seven were soon joined by a councilman and councilwoman from each of the five classes. Due to President Comer's advance planning, the council began to function smoothly from the start.

One of the first activities of the year was the selection of a queen to represent the College at the annual American Royal in Kansas City. Jeanie Coy won the council nod.

The Fifteenth Annual Parents Day provided the next step in the activities of the college as the council members assisted with this affair to make the annual Parents Day a success.

Homecoming, always a busy time for students, found the members of the council involved in most of the activities of the two-day celebration, making arrangements for various parts of the Homecoming, arranging for awards and prizes for the various floats, the judges, the Pre-game activities and the final Homecoming Dance. Most of the work of the councilmembers was in the background as was Larry Johnsen's work as chairman of the Social Committee and the decorating this committee performed for each of the all-school dances.

The council-sponsored student movies started early in the year and continued to give students good entertainment on Friday evenings with the council again providing behind-the-scenes work for this student activity.

Inaugurated this year were the Campus Town races as a fall activity in addition to the spring contests.

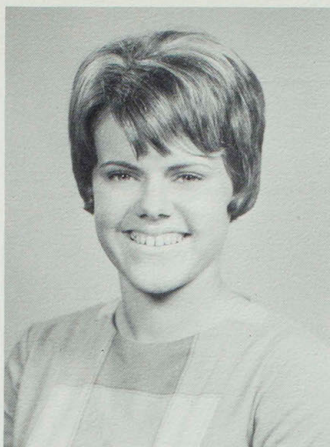

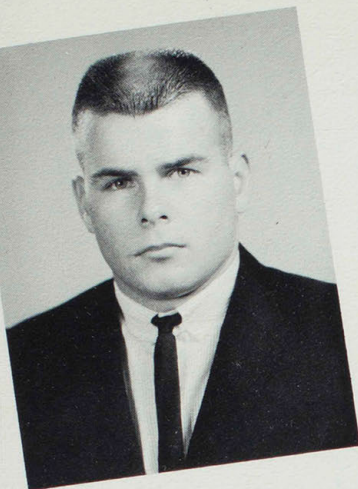

The outstanding function, a first of its kind, and

without doubt the most work for the council was the producing of the Johnny Mathis Show on November 5. With the opportunity to secure this outstanding show, the council went to work to transform the Pershing Arena into a theater. With the cooperation of the division of Maintenance Service and many other persons, the houselights went down, the stage lights and spots came up and there was a complete transformation of the arena. The program, featuring Mathis, his singing group "Our Young Generation" and his twenty-five piece orchestra met universal approval. At the end of the two-hour program, with the lyrics of the Mathis music lingering in their memory but being drowned out by the roaring applause of the standing ovation to Mathis and his group, the weary council members felt that their first attempt to bring a "Big Name Program" to the campus had been a success.

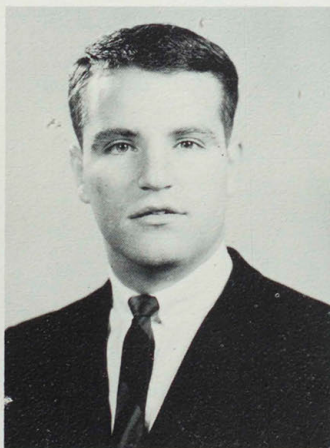

With the opening of the winter quarter, interest swung to Christmas time and the Christmas Dance. Bob Kuban and his band, who had been so well received in the 1965 Homecoming, returned to the campus for the Christmas dance, bringing out a large crowd of students. Each person attending aided the work of the Salvation Army by donating a can of food for the Army's Christmas baskets.

Back after the vacation, students settled down to work, to study, and also to take part and attend the Campus Bowl. Twirp Week followed and then early in the spring quarter came the Fun Festival with its booths and programs. The Echo Dance, featuring the crowning of the Echo Queen, was the climax of one of the biggest years in the history of the Student Council. The all-school election brought the political pot to a boil in May and then simmered down just in time for finals.

The seven elected officers of the student council are: Top, Larry Johnsen, vice president; Tania Yeager, secretary; Connie Ferguson, treasurer. Middle, Paul Comer, president. Bottom, Bette Cox, councilwoman; Lou Coco, councilman; Pat Hamilton, council member-at-large.

Row 1: Janice Pinnell, Sandra Tribley, Donna Sees, Marilyn Engle, Diane Cushman, Donna Crooks, Joeta Prather. Row 2: Connie Hickenbottom, Pat Trent, Anita Bradfield, Ann Broyles,

Mary Ann Matsuoka, Linda Good, Lynda Hutcherson, Jeanie Coy.

## College Ushers

The College Ushers, an important group at all college functions in the Auditorium and at other activities, were especially busy during the 1966-67 academic year. The various Centennial programs, opening with the five night showing of "From These Roots" along with all of the Lyceum programs, assisting the Student Council with the Johnny Mathis Program, Parents Day, Opera, Christmas Programs by the NEMO Singers, Commencement and Baccalaureate programs all combined to give the Ushers their busiest year in the history of the organization.

Members serve only for assistance to the College. The selected members of the College Ushers take their time from study to provide a necessary service to the College. At Lyceum programs and similar affairs, the ushers can readily be recognized by the "basic black" ensembles and their purple and white carnation corsages.

College Ushers were organized in April, 1959, to serve as hostesses in the new College Auditorium. The first group of nine ushers assisted with the official opening programs in the auditorium from April 26, 1959, to May 1, 1959. Since that time, the group has been present at all College functions in the auditorium including Lyceum programs, concerts, commencement activities, and other all-school affairs.

With the increasing enrollment and the increasing number of persons attending such functions, it has been necessary to increase the number of ushers over the years until there are now sixteen young women in the active membership.

Each year, one member is appointed to head the group. Jeanie Coy has been serving as Usher Captain during the past year. Kenneth C. Sykes is the faculty sponsor.

At left, Diane Cushman shows Fran Taylor and Gary Smyth to their seats for the Carlos Montoya Lyceum Program.

# Student Social Committee

The Student Social Committee works closely with the Student Council and the Social Calendar Committee in planning a social program that will lead to a well-balanced program of social activities for the student body of the Teachers College. Students make application for membership on the Committee and are approved by the Social Calendar Committee and the Student Council, which also appoints three of its members to be on the Committee. Mrs. Ruth B. Beal, Dean of Women, is the adviser. This year there are 25 on the Committee and Larry Johnsen is Chairman.

The first activity of the year was a Coffee Hour

at Parents' Day. The group proved its worth by arrangements at tables, coffee making and pouring, as well as cookie sampling. The Christmas Party and the three big dances--Homecoming, Christmas and Echo--find the members busy for long hours with plans for wires, crepe paper, lighting effects, and various details that go into making a party or dance unique, beautiful or glamorous.

A citation at the end of the year for work well done is presented by the Student Council to members of the Committee who have been faithful throughout the year in performing many duties.

Row 1: Ruth B. Beal, adviser; Larry Johnsen, Pat Hamilton, Janet White, Becky Tibbs, Mary Roberts, Carolyn Santee, Jeanie Cone. Row 2: Karen Longwith, Meredith Bruner, Susan Gulnac, Kay Richard, Jill Burnam, Joleen Fox, Anita Barta,

Liz McKinley, Patti Leach. Row 3: Albert Lo, Nolan Singleton, Vernon Jackson, Bill Nicodemus, Linda Stine, Maureen FitzHenry, N. Murray Key, Phil DiRuocco.

# Cardinal Key

A national honor sorority for women, Cardinal Key was founded in 1932 to help college women develop the traits and talents of good citizens and leaders through service to their college and community.

Membership is limited to 25 women chosen on the basis of service, scholarship, leadership, and character. Prospective members make application to the chapter. Chapter nominations are then referred to a faculty committee for selection.

Cardinal Key members sold Homecoming buttons as one of their yearly projects. Money from this sale went toward the Nan E. Wade Scholarship given annually to a deserving girl by Cardinal Key. Another scholarship initiated last year by Cardinal Key is the Agnes E. Slemmons graduate student award. It is given to a woman graduate of MSTC who wishes to continue graduate work in English at this College. At Christmas Cardinal Key added to the festive spirit by decorating a tree in Baldwin Hall.

Sue Davis, last year's Eugene Fair Chapter president, is currently serving as national president of Cardinal Key.

President Ryle purchased the first Homecoming button from Cardinal Key President, Myrna Boltz.

Founded one year after the national organization began, the John R. Kirk Chapter of Blue Key celebrated its 41st anniversary in April. More than 600 active members have been installed by the local chapter since its inception.

Blue Key National Honor Fraternity is an established service organization of college men, maintaining a high degree of intellectual attainment and character.

Membership requirements include a total of at least 64 semester hours, a cumulative honor point ratio of at least 3.0, membership in two other non-social campus organizations, and recommendation by three faculty members.

Service activities during the year include directing the Homecoming Parade, compiling and selling the Official Student Directory, conducting campus tours on Senior Day, maintaining the Student Travel Board in Kirk Building, and sponsoring the Blue Key Award given annually to the outstanding graduating senior of Cardinal Key and Blue Key.

"Serving, I Live" prompts the compilation and sale of Blue Key Student Directories each fall.

Alpha Phi Omega, a national service fraternity, came to this campus in 1928. The local Epsilon chapter is the oldest chapter in Missouri and the fifth oldest in the fraternity.

Epsilon chapter, under the direction of Dr. H. B. Tate, started the 1966-67 academic year by helping with enrollment, a quarterly work project. Again the members helped the Boy Scouts set up their Scout-a-rama.

APO was active in Homecoming, performing such tasks as preparing pre-game programs, directing traffic, helping Blue Key line up floats for the parade, and securing convertibles for the queen and her attendants both for the Friday night pep rally and the Saturday parade.

Each spring the local chapter holds the Ugly Man Contest, climaxed by the Ugly Man Dance. Another project of the fraternity was selling envelopes and cards containing the College crest and a picture of Kirk Memorial.

Pictured at left are two APO pledges assisting students during winter registration.

## Student Mentors

Student Mentors are a tradition on this campus, dating back over several decades. Their primary purpose is to assist with the orientation of new freshmen to the campus and to act as student advisers to freshmen during the entire year.

Mentors are upperclassmen who volunteer for this important duty and who are selected on the basis of

scholarship, personal adjustment, faculty recommendations, and a demonstrated interest in helping others adjust to campus life. The final appointment as a student mentor comes from the Director of Student Personnel Services and mentors serve for one year. They may be reappointed for another year and most student mentors serve for two years, unless they graduate first.

## Chess Club

Designed to give College students who enjoy chess an opportunity to play regularly, the Chess Club has been in existence two years and attempts to create an intellectual atmosphere beneficial to both member and

College.

An official campus organization charter was presented to the club in January.

## Student National Education Association

The Student National Education Association has a membership of 350 prospective teachers, and is led this year by James Dennison. Its purpose is to encourage professional growth among the college students

who are planning to teach, with programs planned by the students.

S.N.E.A. is the professional association for college and university students who are preparing for a

## English Club

One of the newest organizations on campus, the English Club received its charter in December, 1963.

Organized to alert members to current and pertinent teaching problems, to encourage creative writing, and to encourage the reading and interpretation of literature, English Club membership is open to students who are interested in language and literature

and are willing to participate.

The club's activities include: original poetry readings by faculty and students; a literary bowl; and discussions on student teaching. All members have junior memberships in the National Council of Teachers of English.

## Romance Language Club

Romance Language Club was founded in 1961 under the direction of Dr. Humberto Alvarez. In 1962, "El Club de Espanol" was formed as a section of the original organization.

The main goal of the members is to learn "living" Spanish and to acquaint themselves with the customs

of Spain and Latin America. They also try to establish closer relationships with these countries through the publication of a bi-lingual magazine "La Senda." By doing these things, they hope to better prepare Spanish teachers.

# Phi Delta Kappa

Phi Delta Kappa is an organization of men in teacher-education institutions and in the teaching profession. It began in 1910 by a consolidation of three independent fraternities at Indiana University, Columbia University and the University of Missouri. The campus chapters are now found in colleges and universities throughout North America where graduate work is done. Students selected for membership are not always graduate students but at Kirksville the local requirement is that they must have had a quarter of graduate work with superior grades.

Besides the campus chapters, Phi Delta Kappa has a large number of field chapters established in various cities or regions. A field chapter was established at Kirksville in 1928. This chapter closed when Epsilon Gamma campus chapter was chartered in 1959. The campus chapter has initiated more than five hundred men. The division of Education faculty takes a great

interest in the organization. Dr. Linn Terry is the sponsor and also serves as the state coordinator for Missouri.

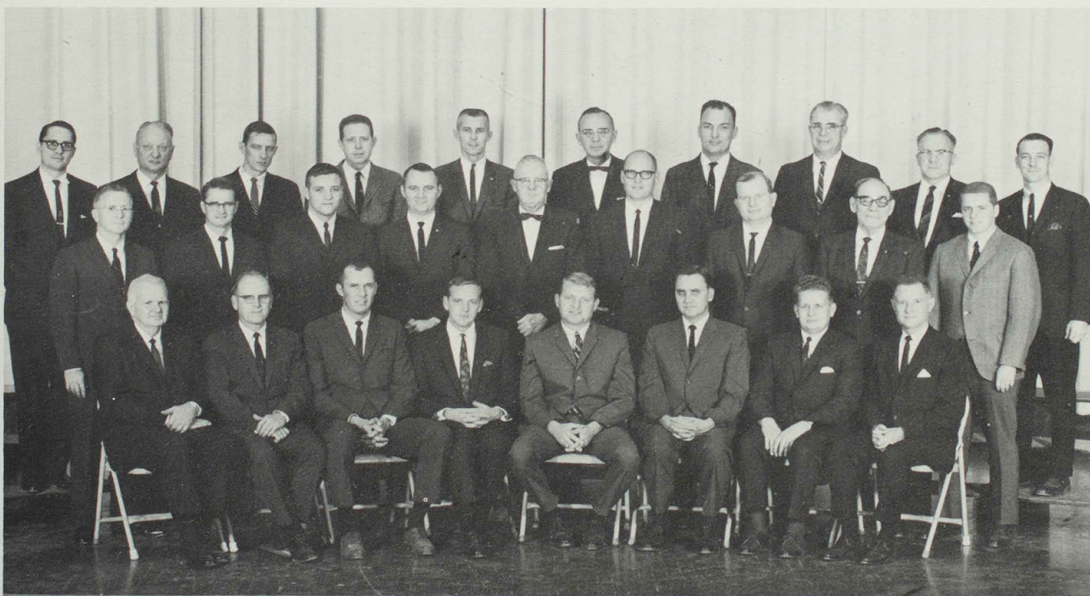

Meetings are held monthly during the academic year and weekly during the summer session.

The 1966-67 officers are: Howard Terry, president; James Preston and Earl Ludlow, vice presidents; Kenneth Serfass, secretary-treasurer; and Paul O. Selby, historian.

Other campus chapters of Phi Delta Kappa in Missouri are at the University of Missouri, Columbia; the University of Missouri, Kansas City; Washington University, St. Louis; and Central Missouri State College, Warrensburg. There are field chapters located at Maryville, Cape Girardeau, Springfield, Kansas City and St. Louis.

## Honorary Art Club

Honorary Art annually sponsors a sidewalk art show to provide a showing and market place for artist's work.

Honorary Art Club, under the sponsorship of Mr. William Unger, is open to art majors and minors who have attained an honor point of 3.0 in a required number of art classes and a 2.2 overall.

The purpose of the club is to bring its members together in a closer understanding and mutual appreciation of the fine arts and to give the members further opportunity to pursue some phase of work in which they are interested. The club also strives to serve various campus activities in any creative and artistic way.

## Association for Childhood Education

The Association of Childhood Education is an organization for all students who wish to promote the education of young children in the school, home, and community. The student branch at MSTC was initiated in 1930 by Miss Willie Whitson.

Programs at A.C.E. meetings have included talks

about records kept by classroom teachers, foreign language in elementary school, and the kindergarten of today; and films pertaining to phases of elementary education.

Dr. Grace McReynolds is sponsor of A.C.E.

## Elementary Majors Chorus

Elementary Majors Chorus provides an opportunity through participation, to learn more about music on the elementary level. Developing choral techniques,

increasing sight reading ability, and providing repertoire appropriate for elementary schools and College women's groups are the aims of the organization.

## College Players

An interest in any facet of the theater is the prerequisite for membership in the College Players. Its members are not only those who act in the plays presented in the Little Theater, but also those who enjoy the behind-the-scenes work of constructing sets, gathering props, preparing wardrobes, and maneuvering

the technical equipment required for performances.

This season included *The Fantasticks!*, *Oh Dad, Poor Dad, Mama's Hung You in the Closet and I'm Feeling So Sad*, *Becket*, *From These Roots* (Centennial Year Symphonic drama written by Al Srnka), and an experimental play.

## Oral Interpreters

Oral Interpreters have presented the world's finest literature for several years under the direction of Dr. Elizabeth Worrell of the speech faculty. Each quarter a major program is produced, including such topics as "The Woman Behind the Man," "Feiffer - The Neu-

rotic Blackouts of 1966," and "Merry Christmas, Mr. Dickens."

In addition to public entertainment, the Interpreters perform for special affairs, organizations on and off campus, and various schools in the area.

## Alpha Phi Sigma

Alpha Phi Sigma, National Honorary Scholastic Fraternity, was founded on this campus February 26, 1930. Professor Byron Cosby, College business administrator, founded the organization "to give preferment and honor to those who have struggled to set up a high standard of scholarship, fine thinking and ideals, and correct spiritual values."

High school salutatorians and valedictorians may

become associate members their freshman year. Maintaining a 3.0 or better average for three consecutive quarters is the requirement for master membership.

Thirty-six new members were initiated in October, making one of the largest pledge classes ever accepted by Alpha Chapter. Dr. Max Bell, past National President of Alpha Phi Sigma, is the sponsor of Alpha Chapter.

## Pi Omega Pi

Pi Omega Pi, National Business Teacher Education Honor Society, was founded on this campus in 1923 by Dr. Paul O. Selby. The members of Alpha Chapter designed a badge; adopted the Greek God of Commerce, Hermes, as their patron saint; and approved a ritual.

From the small beginning of thirteen students and two faculty members evolved an organization with 123 chapters in 34 states with a membership of 28,000. The local chapter has initiated 848 business teachers since 1923.

Pi Omega Pi brings together present and future business educators. Professional fellowship is enjoyed and the business profession is strengthened by a common sharing of ideas.

## Young Republicans

The purpose of the Young Republicans is to provide support for the Republican party and to promote its fundamental ideals.

It also provides an opportunity for students interested in good government under Republican prin-

ciples to gain knowledge and experience on both the national and local level, in order that they become better informed citizens. The Young Republican Club of MSTC is a charter member of the Missouri Federation of Young Republicans.

## Pre-Osteopathic Club

As future doctors, the members of the Pre-Osteopathic Club are constantly searching for new ways to prepare themselves for their responsibilities as future physicians. The Club offers its members both a professional and social program.

Some of their activities are: human anatomy dem-

onstrations at KCOS; demonstrations and lectures by visiting professional men; and professional movies.

The Club has an annual Christmas banquet and spring picnic at Thousand Hills State Park. The members are also encouraged to participate in the activities of KCOS fraternities.

Row 5: Evelyn Ball, Joyce Stookesberry, Jacque Arnold, Nancy Locke, David Kutzner, Annette Titus, Jan Sevits, Carolene B. Anderson, Connie Cassidy.

Students Nurses Association was organized on this campus in 1961 and received their charter from President Walter H. Ryle on March 18, 1962. In 1965, the club established the "Student Nurse of the Year" award which is presented to the outstanding senior who has shown both academic and professional excellence.

The Northeast Missouri State Teachers College Nursing Program, which is accredited by the Missouri State Board of Nursing, includes methods and hours in instruction, clinical assignment, supervision and evaluation of the students by the nursing faculty. The members gain practical experience by working with the following affiliated institutions: Grim-Smith Hospital and Laughlin and Kirksville Osteopathic Hospitals in Kirksville; and Still-Hildreth Osteopathic Hospital in Macon.

SNA takes an active interest in community projects such as Cerebral Palsy School, Head Start School,

Bloodmobile, and the distribution of Christmas baskets to needy families. They also are in charge of the Methodist Church nursery and help in special projects like the Oral Vaccine Polio Clinic.

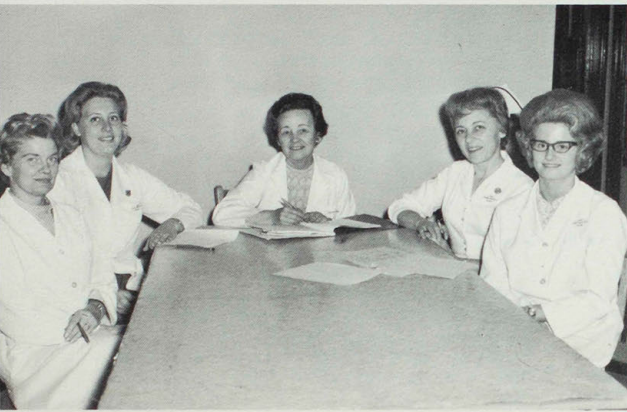

The outstanding events of the association are the capping and pinning ceremonies. The former signifies mastery of the fundamentals of nursing and the opportunity to proceed into more complex areas of professional study. In the pinning ceremony, each graduating senior receives the school pin which signifies the completion of nursing education. Both the school cap and pin are worn as the graduate continues in a nursing career.

The association's main objectives are to prepare nurses to meet the expanding needs of humanity in health and in disease and to offer additional preparation in nursing techniques of health education.

## Aeolian Club

The Aeolian Club is a social-professional organization for students interested in music. It is affiliated with the Music Educators National Conference as a student chapter.

Some of the highlights of the year include a fall

picnic, a spring banquet, programs of musical interest, and an opportunity to attend the Missouri Music Educators Association Convention. Aeolian members help with the spring music festival, recitals, and sponsor receptions after senior recitals.

## Sigma Zeta

The Delta Chapter of Sigma Zeta is the national honorary science and math society on campus. Active membership is open to junior and senior science or math majors who have maintained a high honor point ratio. Associate membership is extended to freshman and sophomore students who have the potential of attaining active membership requirements.

The objectives of the organization are to encour-

age continuing advancements in the fields of science and mathematics, to promote and recognize scholastic achievement, and to foster friendly social activities.

Among Sigma Zeta's activities are monthly meetings with guest speakers presenting programs in the fields of scientific interest. Also, an annual spring banquet in honor of the newly initiated members highlights the year.

## Women's Recreation Association

The objective of the Women's Recreation Association is to provide opportunities in recreational activities, dance, gymnastics, and a variety of sports to all women students of the college. WRA sponsors volleyball, softball, basketball and individual and dual all-school tournaments. Basketball and volleyball sports days are held throughout the year with teams from Missouri and Iowa being represented.

WRA also sponsors several groups including Field Hockey and Modern Dance. Modern Dance is an activity which takes the form of creative art. The students explore space techniques and forms in an attempt to develop their bodies as an effective medium of communication.

Field Hockey is organized for those interested in perfecting the skills and techniques of the sport. Games are scheduled with other schools in Missouri and Illinois.

The year's activities are climaxed at a spring banquet at which awards are presented and new officers are installed.

## Physical Education Majors Club

Primary objectives of the Physical Education Majors Club are to promote the professional growth of women majoring in physical education, to encourage high standards of leadership and scholarship, and to develop group solidarity.

P.E.M. Club had an active year with members participating in a variety of professional and social programs. The year began with a Get-Acquainted Party for new members. The highlight of October was the Erick Hawkins dance concert. Other activities included the annual Olympic Holiday Christmas Party, a house-

warming for the new women's wing in Pershing; the chili supper, panel discussions on motor learning, and teaching tips from former P.E.M. Club members.

Seventy-five women joined the student section of the American Association for Health, Physical Education and Recreation.

The year ended with the installation of new officers, the presentation of a trophy to the outstanding senior physical education major, and the announcement of the recipient of the Sheryl Fullerton Grim Memorial Scholarship.

## K-Club

K-Club, an organization for men who have lettered in a varsity sport, was founded in 1915 by H. L. McWilliams. The group received their social-professional charter on December 9, 1959.

K-Club presents each departing member with a life-time pass to all college-sponsored athletic events. To promote academic excellence in the organization, a

\$25 scholarship, which is named for retired sponsor R. E. Valentine, is given each quarter to the member who maintains the highest grade-point average for the preceding term.

In order to finance these and other projects, the organization sponsors a benefit basketball game featuring Marques Haynes and his Fabulous Magicians.

## Agriculture Club

Agriculture Club is a professional-social organization with the purpose of promoting interest in the many areas of agriculture. Agri-business membership in the Ag Club is open to anyone who has enrolled in an agriculture course.

Each year the club plays an important part in conducting the district judging contests for Northeast

Missouri high school FFA and general agriculture students.

Activities of the club include a picnic for new freshmen, a Christmas party, intramural athletics, and homecoming activities. These are highlighted by the annual all-college spring dance.

# Kappa Delta Pi

On February 24, 1967, Tau Chapter of Kappa Delta Pi celebrated the 45th Anniversary of its founding. Originally a local honor fraternity, Kappa Phi Sigma was founded at the insistence of Dr. John R. Kirk, President of the Northeast Missouri State Teachers College. Kappa Phi Sigma was established on February 19, 1921, by a faculty committee composed of Charles A. Epperson, chairman; Willis J. Bray; Lena E. Patterson; Lucy Simmons; and Thurba Fidler.

From the junior and senior classes of the College, twenty-five students were selected as being eligible from the standpoint of scholarship, and they formed the charter membership of the organization. Charles A. Epperson became the sponsor. Since the first organization was local, it applied to the national organization of Kappa Delta Pi, which had been founded at the University of Illinois in 1911. On February 24, 1923, Dr. Frank Thompson, of the University of Colorado, installed Tau Chapter of Kappa Delta Pi on the MSTC campus. Tau Chapter has had five counselors since its founding. The dates of their service are as follows:

Charles A. Epperson, 1923-1926

W. J. Bray, 1926-1935

Bracy Cornett, 1935-1940 (co-sponsor with

Dr. Bray, 1929-1935)

Pauline D. Knobbs, 1940-1942; 1957-

Berenice B. Beggs, 1942-1957

Since its founding, Tau Chapter has initiated over 1,750 members. In 1928, Tau Chapter inaugurated a yearly award of twenty-five dollars to the sophomore student intending to enter the teaching profession who showed the greatest degree of professional promise in character, scholarship, leadership, and service. In 1957, this scholarship was named the Berenice B. Beggs Scholarship in honor of a previous sponsor.

On April 5, 1963, Tau Chapter celebrated the 40th Anniversary of its founding. On April 26, 1967, the 45th Anniversary of its founding was celebrated with a banquet honoring Dr. Walter H. Ryle, a member of Kappa Delta Pi.

To be eligible for membership, a student must have six hours of education courses during the junior year and twelve hours of education courses during the senior or graduate years. Also, the student must have an "S" average scholastically or a "B" average if a graduate student. The qualities of character, scholarship, leadership, and service are also requisites.

Row 1: Pauline D. Knobbs, adviser; Larry Gene Boyer, president; Nancy Curtis, vice president; Barbara Audsley, secretary; Carolyn Yount, Gretchen Parcell, Ginny Lee Beavers, Marsha Dillinger. # Teachers College Index

As editor-in-chief during the fall and winter quarters, Mike Trent had the responsibility of assigning stories, marking copy, and checking the paper once it was printed.

The first edition of the Normal School Index was published on March 19, 1909. The Teachers College Index, now 58 years old, still serves the College with weekly reportings on campus activities and events. From infancy its motto has been "Complete coverage of the faculty and students of the Teachers College."

Many changes have taken place in the organization of the paper. During its first years, it was done as an extra-curricular project by interested students. Gradually classes were added to handle the task.

The Newswriting class makes up the staff with different students working on the paper each quarter. Mike Trent and Bob Carroll served as editor and assistant editor respectively during the fall and winter quarters. Stanley Williams is the faculty adviser, and the actual printing is done at the Simpson Printing Company.

Members of the Index staff winter quarter included: Row 1: Phyllis Wilhoit, Paula Porter, copy editor; Bob Carroll, assistant editor; Paul Dysart, sports editor; Larry Wright, picture

editor; Pam Abbadessa. Row 2: Kay Lundgren, Denise Gregory, Randy Hill, Larry Shaw, Dusty Brown, Judy Dissinger, Marilyn Bullock, Ann Hunter.

# Pi Kappa Delta

Theta chapter of Pi Kappa Delta is an Honorary Forensic Society. It holds as its purpose the hopes of stimulating progress in and to further the interest of intercollegiate speech activities and communication. It also provides a functional leadership training for life, encourages a spirit of fellowship, brotherly cooperation, and an incentive for achievement.

Members find a rewarding and challenging goal as they travel widely throughout the academic year representing Pi Kappa Delta in debate, oratory and extemporaneous speaking.

## Historical Society

Founded in November, 1906, by Eugene M. Violette, the Historical Society has included in its membership several people who later have become faculty members at the Teachers College, or administrators of the College. Dr. Walter H. Ryle is a past member of this organization.

The membership is open to any collegian or faculty member who wishes to associate with others

who share his interest in history.

Historical Society's annual spring banquet features eminent historians as guest speakers. At regular meetings, informative material designed to broaden the members' knowledge is presented through speakers, films, panel discussions, etc. Other activities include trips to sites of historical interest.

# Young Democrats

Chartered in 1960, the Young Democrats were the first chartered political organization on the campus for the advancement of a national party organization's welfare. This group meets twice each month and invites prominent party leaders and faculty members to speak on such topics as current national affairs and new political ideas.

The purpose of the club is to give interested students on the campus an opportunity for contact with practical party workers, to participate in off-campus political activity and to provide information for, and support of, the national, state, and local affairs of the Democratic party.

Each year the club sponsors an annual banquet in the spring with a speaker of note usually furnished by the state organization. In election years the club participates actively in the campaign by assisting with the maintenance of local headquarters, the taking of polls, getting out the vote on election day, distributing literature and doing much to assist the local group.

Young Democrats held a mock presidential nominating convention on February 1, 1964. Other programs consist of debates, films, tape recordings of speeches, viewing of televised activities, and panel discussions.

# Cheerleaders

Vivacious cheerleaders, led by co-captains Liz McKinley and Linda Good, promote spirit for the Bulldogs at all home football and basketball games. They are selected on the basis of enthusiasm and ability to perform basic stunts.

In tryouts, each girl presented two cheers besides demonstrating jumps, cartwheels, and splits. Miss Jane Barnett is sponsor of the spirit-boosters.

Upper left are cheerleaders Barbara Haskins, Liz McKinley, Connie Hickenbottom, Linda Good, Jami Lewis.

Below left are alternates Starr Reed, Janie English, Cindy Irwin.

Below right, Jami Lewis and Barbara Haskins lead Parsons game cheers from the grandstand because of crowded conditions on the track.

# Industrial Arts Club

The Industrial Arts Club was established in the fall of 1939 by Otho L. Barnett, the present head of the division.

The main objective of the club is to create interest in the field of Industrial Arts for its majors and minors. It is classed as both a professional and a social organization.

There were twelve charter members of the club. They were: Orville Rugh, Byron Morrison, Paul Evans, Roy Boucher, William Washam (first president), Wendell Brumagin (first vice-president), Ray Boucher, Elbert Wills, Bob Brightwell, Roy Ordelleide, Ralph Shain, Norman Lane, and the club sponsor, Otho L. Barnett. During World War II, there were four girls in the club.

The club has constructed furniture and many handy-craft projects for the school and community.

In 1950 the club sponsored their first Christmas party for the underprivileged children of Kirksville, which became an annual event for the club. In 1953 the club decorated the courthouse lawn with a nativity scene planned and constructed by the club members. The first field trip, a tour of the industries of Kansas City, was taken in 1956. A club key was designed by William Washam, and was used until the war years. It was discontinued in 1945. The club joined the national organization (American Industrial Arts Association) in the Spring of 1966, and is now using the A. I. A. A. pin.

To join the club, one must have five hours credit in Industrial Arts and a 2.0 overall honor point ratio, with a 2.5 honor point ratio in Industrial Arts. There are fifty-seven active members in the club now.

The first social organization for students of Home Economics was organized in 1912 under the name "Home Economics Club."

The aims of the organization were: (1) To keep abreast of home economics movements; (2) To create an interest in all activities pertaining to the home; (3) To develop an appreciation of the profession of home economics; and (4) To create a spirit of fellowship among its members.

In 1922 the club was reorganized under the name of Ellen H. Richards Club in honor of the founder of the American Home Economics Association. It became affiliated with the National Association in 1925. The organization continued under this name until 1951 when the name Colhecon was adopted, which is a

contraction of College Home Economics. The name grew out of discussions at Missouri Home Economics College Club meetings and became a typical name for college home economics organizations throughout the state. In 1965, the club celebrated its 50th Anniversary.

Miss Lloria MaGee, former head of the division of Home Economics, organized the club and is still active in it.

This year the Club Constitution was revised to conform to the national level of activities and objectives.

Through the year Colhecon members work with the thought that "The reward for a job well done is having done it."

# K-Dettes

With precision marching and high-stepping dance routines, the K-Dettes liven up halftime activity at football and basketball games. The K-Dettes made their first appearance this year in the Homecoming Parade. In November they performed a pom-pom routine for the last home football game.

Basketball season found the K-Dettes doing snap-py marches and lively dance routines. Whether they appear in their purple and white uniforms or in special costumes, the K-Dettes brighten any halftime entertainment.

Under the direction of Al Srnka, the K-Dettes also appear in programs for local organizations. Once again they have enjoyed a successful year.

# Wesley Foundation

Wesley Foundation is the Methodist-sponsored Christian organization on the MSTC campus. It has been serving this educational community as a Wesley Foundation since 1951 when it was fully accredited by the Commission on Standards of the Methodist Church. Since 1961 it has been under the direction of a full-time campus minister, Reverend David Schadt.

Wesley Foundation strives to serve the educational community in two important ways. First of all, it promotes the stimulation of spiritual and social as well

as intellectual growth of students by sponsoring a number of programs on a variety of topics and several recreational activities throughout the year.

Secondly, the membership of Wesley serves the total community through such programs as a recreational program for underprivileged children and a get-acquainted dinner for international students in co-operation with First Methodist Church.

Membership in the Wesley Foundation is open to any and all students who wish to participate.

## United Campus Christian Fellowship

The United Campus Christian Fellowship is a church-related organization with the Christian (Disciples of Christ), Episcopal, Evangelical United Brethren, Moravian, United Church of Christ, and Presbyterian Churches participating. These churches have united their campus ministries as an expression of their unity in Christ. UCCF, therefore, aims to be a servant which seeks to assist the college in its work of education and scholarship, and to be about the work of reconciliation in the campus community.

UCCF exists to help members of the academic community carry out the mission of the church in their

campus life. UCCF is called to find ways of living and working together as Christians while being caught up in the day-to-day life of the college--in study, in discussion, in extra-curricular programs and organizations, in teaching's rigor and in administrative decisions.

To help in becoming a part of this national movement, the churches participating in UCCF have: (1) established a student center near the campus, (2) secured the services of campus ministers who are ready to assist in any way possible, and (3) opened the doors of the local UCCF churches to allow students to be active in the local church.

## Gamma Delta

Gamma Delta is an international Lutheran organization for college and university students. It seeks to promote Christian knowledge and services to the church, community, and school.

Guided by a pastor, faculty sponsors, and officers, the members completed successfully a wide span of activities which included a retreat at Warrensburg, a

leadership conference at Columbia, a convention at Cape Girardeau, a tenth anniversary, and many other social events.

This year the Delta Xi chapter of Gamma Delta celebrated their tenth anniversary on November 6. Their guest speaker was Reverend Boernke, campus pastor of St. Louis.

# Newman Club

The Newman Club, founded at the Teachers College during the 1955-56 school year, is one of the oldest religious groups on campus. Through the national federation, the club has the resources of the largest religious organization in America at its disposal. John Henry Cardinal Newman, 19th century English scholar and teacher, inspires and directs the Newman Club. His *Idea of a University* stressed the need for a religious academy within the former structure of all colleges. He felt this would insure a true and proper intellectual environment for all aspiring scholars.

Under the direction of Father Luke Reichert, club chaplain; Robert Bradley, faculty sponsor; and Phil DiRuocco, president, the club endeavors to complete successfully a wide span of activities. With religion foremost in mind, the members participate in retreats, discussion nights, in which frequently the club enjoys speakers on some aspect of religion, and the Province Convention in the spring.

The social program includes picnics, mixers, a Homecoming float, an annual Mistletoe dance, pancake and sausage breakfast, and a faculty-fun night.

Newman Club float, *The Viking Ship to Victory*, proclaimed "You row - We go!"

## Baptist Student Union

BSU activities moved to a campus location on February 9, 1958, with the opening of the property located at 712 South Marion as a Baptist Student Center. Up to that date all student religious life among Baptist students had headquartered at First Baptist Church, 207 East Washington Street. The Church will mark its centennial one year after the college festivities, and students have always been a part of the church life and program.

Four years after opening the Center, a chapel addition more than doubled recreational space in the building and provided worship facilities for groups of up to one hundred persons.

During the '50's the BSU group placed first in Homecoming floats two years and entered annually. The last three seasons have seen house decorations replace float entries.

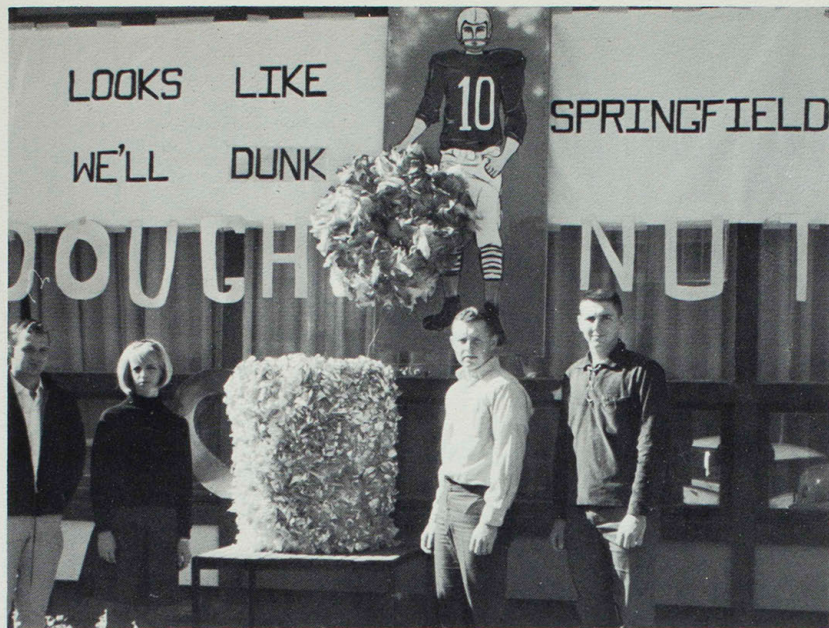

Use of the Center has always been available to all campus groups. The Oral Interpreters visited the chapel frequently for delightful programs; and the Aeolian Club and International Club were visitors during the year. ASA staged a Mardi Gras Rush Party in the basement during fall quarter.

Betty Goad Gregory organized the first BSU choir in 1952. Each year succeeding this date the choir has been a program feature. Tours have been made in recent years to numerous churches and to state institutions.

Sale of UNICEF greeting and note cards has been a service project of the group for six years.

Visiting speaker for the January "Faith Week" Emphasis was Dr. William Hendrix, Southwestern Baptist Theological Seminary, Ft. Worth, Texas.

Following the Homecoming game Gary Bell, Carol Wilson, Jim Wilson, and Jerry Culbertson wonder how their game prediction could have been so wrong!

Dr. John Fox, Jim Hutchinson, and Jerry Culbertson predict a week-long art show next year.

## College

The College Symphony Orchestra enjoyed its most active and varied season since its establishment over 50 years ago. The first performance was before the television cameras of "Campus Talent, 67" featuring graduate student Yasuhiro Shibata, violinist from Hokkaido, Japan, seen at the left while playing the "Mozart Violin Concerto No. V in A Major." The activities of the fall quarter also included an orchestral concert featuring the "Sibelius Symphony No. 1" and "The Academic Festival Overture of Brahms" in honor of the centennial year of the college.

Drama, "From These Roots," was part of the accomplishment of the winter quarter as was the first Student Concerto Program on which student soloists were presented performing as soloists in concertos and arias.

Spring quarter was busy with the preparation of the musical production "Camelot," the "Brahms Requiem" with the chorus and the spring orchestra concert.

# MSTC Band

The 1966-67 school year saw the Missouri State Teachers College Bands attired in flashy new uniforms. During the fall the "Marching 100," directed by Tom Duden and Graduate Assistant Suzanne Lary, gave spirited performances at all home football games. In addition to acting as hosts to high school bands during Homecoming, the "Marching 100" participated in the annual Homecoming parade, the Veterans Day Ceremonial, and the Parents Day festivities.

Pep Bands were selected to give tuneful encouragement to the Bulldogs at the home basketball games.

The highlight of the academic year was the spring tour of the Concert Band. The band was well received in the many schools in which they presented concerts and the tour was climaxed by a post-tour concert held in the College Auditorium.

During the remainder of the year the band presented concerts on the lawn and for the Fine Arts Festival and drew the school year to a close with the commencement processional.

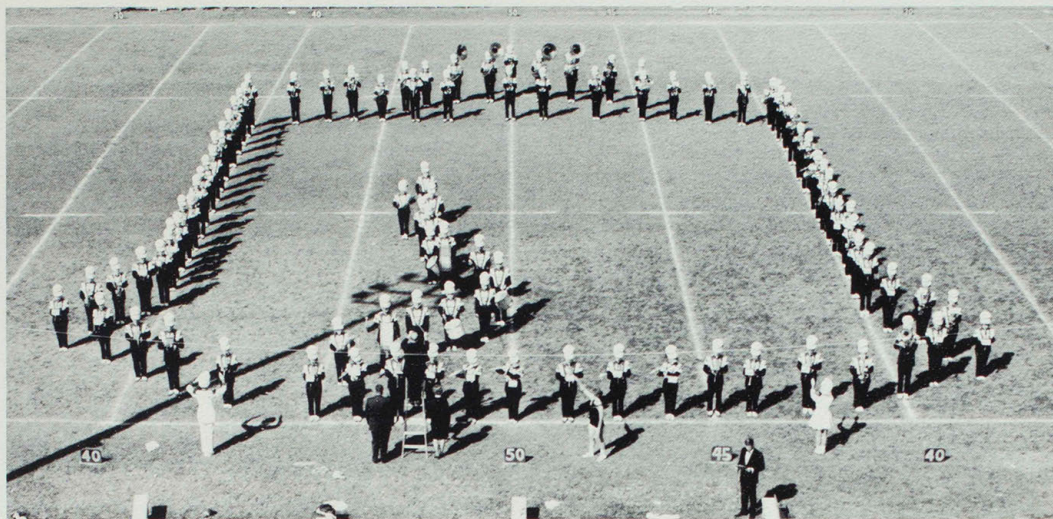

The "Marching 100," under the field direction of Drum Majorette Suzanne Robb and Drum Major Richard Bowers, featured Illinois State Twirling Champion, Karna Kruckenbug.

## Brass Choir

Brass Choir is composed of selected musicians who must audition for the musical positions. The purpose of the group is to study and perform works of music literature which are especially composed for ensembles of this type.

The choir performs concerts both on and off cam-

pus and assists in the production of numerous school musical programs. Although it has been organized only two years, the Brass Choir is regarded throughout the state as an outstanding instrumental performance group.

## Clarinet Choir

Now in its eighth year of development, the College Clarinet Choir has grown from a small number of clarinetists to a fully-instrumentated clarinet choir numbering over thirty students.

The State Teachers College Clarinet Choir has performed on television, radio, and has twice been invited to play at Missouri Music Educators State Conventions. This group presented six concerts at the

New York World's Fair in 1965, performed for the national convention of the Music Educators National Conference in 1966, and was selected to perform at the Canadian World Exhibition, Montreal, 1967. In addition to performing at numerous high schools throughout Missouri it has appeared in Iowa, Illinois, and Indiana.

## NEMO Singers

NEMO Singers, under the direction of Clay Dawson, leave on their annual tour.

NEMO Singers, the Teachers College Concert Choir, is composed of students selected by campus-wide auditions at the beginning of each quarter. Originally a group of 25 students called the a cappella choir, it was organized by Dr. Barrett Stout in 1932. It became the Light Opera Singers in 1946 when Miss Phradie Wells became its director, and was reorganized in 1950 as a part of the band in an attempt to add variety to the band tour. In 1958 Dr. Stephen Hobson formed what became the present NEMO Singers, although the present group is larger than ever before.

The NEMO Singers' schedule this year included performances for Parents Day and District Teachers Convention, as well as two performances of the annual Candlelight Christmas Concert, the Centennial Symphonic Drama, a sacred music concert for Religious Emphasis Week, a Spring Concert, the annual Choir Tour, and Baccalaureate Service.

# Panhellenic Council

Unifying the four national sororities on campus, the local chapter of national Panhellenic Council governs all sorority activities on campus. The Panhellenic Council was chartered June 1, 1948. It is composed of three members from each sorority and its adviser, Dean Ruth B. Beal. Officers serve in rotation from the sororities.

The Council supervises the rush activities. During freshman orientation, Panhellenic president, Jeanie Coy, and the presidents of each of the four sororities met with the freshman girls in an assembly to explain the Greek system. The Panhellenic Handbook explains the rush rules and one is given to each girl who registers.

The main social activities of Panhellenic are the Rush Tea and Scholarship Banquet. The Rush Tea was held in Sociability Hall on Sunday afternoon, September 18, for those girls interested in sororities. There they enjoyed the exhibits of each sorority and watched

with interest a parade of what the well-groomed sorority girl wears on campus.

The Scholarship Banquet held in the spring awards a scholarship trophy to the sorority having the highest honor-point ratio based on grades from spring, fall, and winter quarters 1966-1967. The Centennial Scholarship Banquet in April honored past members of Panhellenic with special recognition.

The Council awards a scholarship covering room and board for an academic year to a foreign girl. This year's Panhellenic girl is Dorte Ena Hansen from Denmark. Panhellenic is the only organization on campus awarding a scholarship of this value.

In cooperation with the Interfraternity Council, Panhellenic helped sponsor the Greek Olympics. An All-Greek dance is also custom.

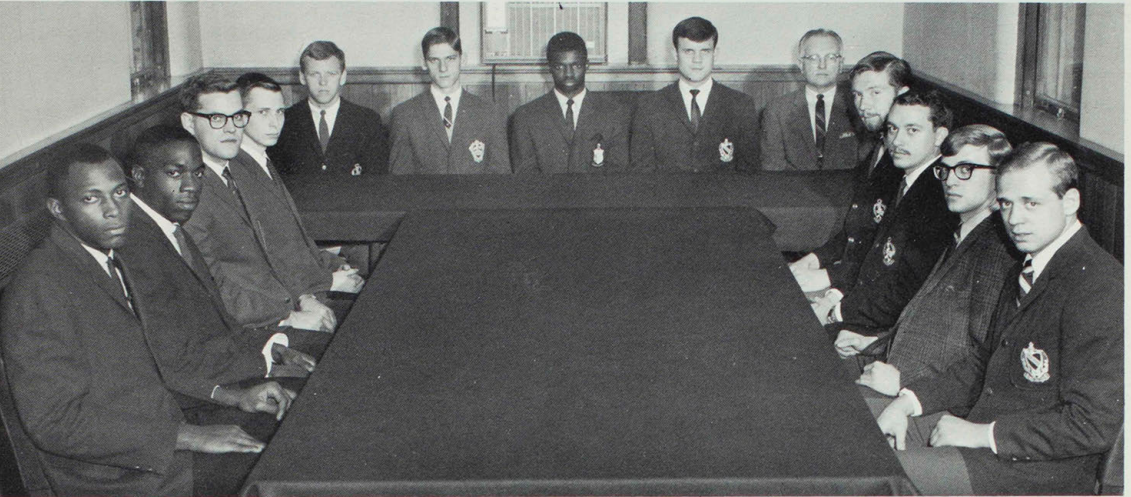

By entering into sorority activities, Panhellenic promotes better cooperation and mutual respect among its member groups and illustrates the interest of the Greek organizations in campus activities.

Row 1: Ruth Beal, sponsor; Jeanie Coy, president; Jeanie Cone, secretary. Row 2: Sharon Holt, vice president; Karen Strauch, treasurer; Joeta Prather. Row 3: Sidna Richardson, Jan Cornwell, Susie Hopkins, Helen Owen. Row 4: Donna Vignovich, Ruth Resinger, Laura Gomez.

berg, adviser; Steve Witte, Larry Burns, Darien Teeter, Dick Wilson.

Governing fraternity activity at the Teachers College is the task of the Interfraternity Council. Three representatives from each fraternity meet weekly to further fraternity spirit, cooperation and mutual respect. Coordinating rush activities is also under the council's jurisdiction.

Greek Week, all Greek dances, and the Greek Olympics are the major annual projects of the group. The Council works in coordination with the Panhellenic Council for inter-Greek activities.

Represented on the Council are Alpha Kappa Lambda, Kappa Alpha Psi, Phi Sigma Epsilon, Sigma Tau Gamma, and Tau Kappa Epsilon. Officers serve

on a rotation basis. Current president is Dallas Singer.

Highlighting the academic year is the presentation of the President's Scholarship Cup. It is awarded to the fraternity with the highest honor point ratio at the annual I.F.C. banquet each spring.

The Interfraternity Council was represented at the National Interfraternity Conference at New Orleans and at the Midwestern Interfraternity Conference at Lawrence, Kansas.

Campus leadership and participation continue to be goals of I.F.C. The Greeks are an integral part of MSTC campus life!

# Alpha Sigma Alpha

The pace was set for a busy year in August, when Jeanie Coy, Martha Acuff, and Ruth Resinger attended a leadership training school in Springfield, Missouri, where Alpha Sigma Alpha has recently purchased a new national headquarters building. In September Sue Henderson was elected sophomore student council representative, and Debbie Hansbrough, freshman class secretary; Connie Hickenbottom was again chosen cheerleader.

The tempo quickened with rush; the themes of the rush parties were Alpha-traz and A Morning in New Orleans. With an enthusiastic pledge class to help, the Alphas plunged into Homecoming activities. The Alphas emerged successfully with their float "Steaming to a Victory" taking third place honors in the beauty division and their candidate, Connie Hickenbottom, taking first place honors in the queen competition.

The year sped on, and the Alphas' candidate for American Royal, Jeanie Coy, was chosen to represent this campus. At the annual Greek Olympics ASA captured first place in the sorority division for the second straight year. Candidates for Echo queen were Diane Eizenga and Patty Cozad. On student council were Connie Ferguson, treasurer, and Pat Hamilton, council member-at-large. Chosen for membership in Cardinal Key were Martha Acuff, Jeanie Coy, and Linda Moffett. Who's Who included Linda Winkleman, Ruth Resinger, Jeanie Coy, and Martha Acuff.

In February the annual Sweetheart Dance was held with Kay Richard reigning as queen. Spring saw the annual breakfast dance and Mothers' Day Tea culminating another year in the history of Alpha Sigma Alpha.

The first national sorority to be founded in the 20th century was organized at Longwood College in Farmville, Virginia. Chapters were restricted to teachers colleges and

colleges of education in universities. The local sorority, Kappa Theta Psi, which was organized at Kirksville Normal School December 24, 1899, became affiliated with Alpha Sigma Alpha in 1914 with the initiation of 50 girls. Alpha Beta Chapter has initiated 1,045 girls. Through the years, Alpha Sigma Alpha members have upheld high professional standards and have served well the ideals of this College.

# Delta Zeta

Iota chapter of Delta Sigma Epsilon sorority was founded at K.S.T.C. on January 31, 1921. Dr. Lucy Simmons, professor of history, was sponsor and Alma Reed was the first president. In September, 1956, Delta Sigma Epsilon merged with the Delta Zeta sorority and Iota chapter became Delta Sigma chapter of the Delta Zeta sorority. Dr. Ruth W. Towne, then assistant professor of history, became sponsor and Mrs. Rebecca Crumpacker Osborn, president.

The Centennial year of 1966-67 began for the sisters of Delta Zeta with a very successful rush season climaxed with the **S.S. Delta Zeta** and traditional Rose Garden rush parties.

Efforts of the actives and new pledges were rewarded with second place in the beauty division for the Homecoming float "Eternal Flame to Victory."

The Delta Zetas contributed to the excitement of the Centennial year with their fashion show, "Through the Pages of History," featuring fashions

from 1867-1967. Highlight of the year was the arrival of Delta Sigma alumnae and sisters of other Delta Zeta chapters in Missouri on the Kirksville campus for Delta Zeta State Day.

Other activities of the year included the Delta Zeta Dad Day, honoring Robert McKinney as the honorary Dad of the Year, the annual Mother's Day Tea, the Easter Seal Drive, and participation in intramurals.

Delta Zetas were active as campus leaders. Judy Ward and Mary Jane Millemon served as class officers; Liz McKay and Carolyn Yount were elected to Cardinal Key membership; Helen Owen was elected to Who's Who; and Janet White served as president of Ryle Hall dorm council. Thirty-four campus organizations listed Delta Zetas as members.

The Centennial year, centered around service, scholarship, activity, and honor shared by the loyal sisters of Delta Zeta, was culminated by the spring formal.

# Sigma Kappa

The Kirksville chapter of Sigma Kappa was founded at MSTC in 1924 as Pi chapter of Pi Kappa Sigma. In 1959, national Pi Kappa Sigma merged with Sigma Kappa, and thus, since September 25, 1959, Delta Theta chapter of Sigma Kappa has been on campus. Miss Willie Whitson served as sponsor from 1959 until 1966 when Mrs. Claudine Triplett assumed the responsibilities.

Over the past eight years Sigma Kappas have shared many rewarding experiences in service to the College, philanthropic endeavors, social events, and scholastic achievement.

Philanthropic projects include supporting the Maine Sea Coast Mission and the American Farm School in Greece, both national philanthropies. In Kirksville, various civic affairs such as polio clinics and fund drives are part of Sigma Kappa's activities; at Christmas this year fruit baskets were presented to the local nursing homes.

Campus honors and recognition include winning the coveted President's Scholarship Cup for the past two years, which received recognition at last summer's national convention in Puerto Rico and membership in numerous campus organizations, including Cardinal Key, College Ushers, Student Council, and class offices. Marilyn Engle and Joeta Prather were named to Who's Who.

Social events are another part of sorority life. Annually, the pledges sponsor a tea for the pledges of the other three sororities on campus. The Mother-Daughter Weekend, Spring Formal, and participation in campus social activities such as Homecoming, Campustown races, and Greek Olympics round out the activities.

In past years Sigma Kappa has had many queens and queen candidates including the 1961 Homecoming Queen, Carla Cunningham, and the 1963 Echo Queen, Chris Rockhold. This year the sorority was represented by Carol Lay as Homecoming Queen candidate and Wendy Herzberger as Echo royalty from the freshman class.

After two successful parties, Sigma Kappa Casino and the traditional Pearl Party, formal rush for 1966 came to an end with 24 girls pledging Sigma Kappa.

The many activities of Sigma Kappa during the Centennial year conclude eight years of achievement on this campus for the girls who live "One Heart, One Way."

## Sigma Sigma Sigma

National chapter inspection highlighted the academic year of Tri Sigma as Mrs. Joan Shearer, National College Panhellenic Chairman, visited Mu Chapter. Alumnae and collegiate members attended a tea held in her honor.

Miss Janice Legg served as sponsor fall quarter after the resignation of Miss Leona Whittom, who had been chapter adviser for 10 years. Miss Jo Ann Weekley then accepted the sponsorship during winter quarter.

Vigorous campaigning resulted in Donna Crooks' election as Homecoming Queen Attendant. "Mai Kai" and "Sigma Spotlight" entertained rushees during formal rush activities. Twenty girls pledged.

Jane Bailey, Donna Crooks, and Judy Hafner served as class officers. Tris were elected to offices in various

other organizations. Membership in Oral Interpreters, Nemos, Band, Cardinal Key, and Student Council depict a few of the members' interests. Jan Cornwell was named to Who's Who.

Raising money for Robbie Page Memorial, a national service project, and for Walton House, the location of Tri Sigma's executive office, kept the chapter active in national activities. Jan Cornwell and Janice Pinnell assisted in the installation of a new chapter in Iowa.

Stressing the meaning of the Centennial year, the chapter's Founders Day was held in April with all parents invited. The annual spring banquet culminated another prosperous year of Sigma giving, Sigma sharing, and Sigma loving.

# Alpha Kappa Lambda

Xi Chapter of Alpha Kappa Lambda started the year by receiving the Fraternity Loyalty Award from the 23rd National Conclave held at Chicago in September. Class elections resulted in Dick Wilber being elected president of the Centennial Senior class, Bob Thomas as president of the graduate class, Ken Wright as graduate class councilman, and Ken Kerckhoff as vice president of the junior class. The fraternity was responsible for the preparation of the Centennial activity calendar.

Homecoming was climaxed by winning 1st place in the spirit division with the theme "99.44% Pure-Scrub 'em" as well as a buffet and the annual meeting of the alumni.

The annual rush smoker was held at Elaine's with Robert Lohrman as the speaker with talks by national representative, J. D. Snodgrass, and sponsor, Dr. Charles Gross. The 4th annual Fiji Island Dance was the climax of the rush season culminating with the pledging of 21 men.

Campus activities saw Ken Kielty as president of Young Democrats and Bob Thomson as Chess Club president. Treasurer of Young Republicans was Ed Porter, while Arlin Anfinson was treasurer of Young Democrats. Ed Porter was secretary of Blue Key, and Kendall Fligg and Larry McGlothlin were listed in Who's Who.

Winning first in the Spirit Division was the AKL Homecoming float, "99.44% Pure-Scrub 'em."

As the year progressed new gold leather jackets with white sleeves were ordered. The pledge class skipped to the University of Arkansas while the activities visited 3 chapters in Colorado. The year was highlighted with the spring formal and its theme, the Blue Danube.

Since 1926, when Gamma Chapter united with two other local fraternities to organize the national fraternity of Phi Sigma Epsilon, it has been dedicated to certain objectives, incidental to its purpose, which are to encourage culture, to foster college spirit, and to perpetuate friendship and intimate social ties within its membership.

Phi Sigma Epsilon has always taken an active lead in campus activities. They have won the President's Scholarship Cup five of the last six years, the All School Intramural trophy five of the last seven years, numerous campus offices, and various community service awards.

The men of Gamma have insured an equally productive future by initiating 49 outstanding members this year.

The pride of Phi Sigma Epsilon is well founded.

Beta Chapter founded in 1921

The combination of scholarship, leadership, service, and campus activities successfully led Beta chapter of Sigma Tau Gamma through its 73rd year of accomplishment. Victorious in the never-ending competition for the coveted President's Scholarship Cup, the oldest social organization on the MSTC campus maintained its ideal of academic excellence with an honor-point ratio over a 2.6.

The annual 49er's dance terminated another prolific rush season with 29 men pledging and receiving the symbolic blue tie after the final initiation degrees.

In its strive for leadership, Beta chapter placed many of its members in responsible offices: Paul Comer, Student Council president; Lou Coco, councilman; Phil Wormsley, Sophomore class president; Ed White, Alpha Phi Omega president; Gay King, Blue Key vice president; Paul Wagner, Newman club vice president; Bill Koch, *Echo* editor; Dale Barrett, *Echo* assistant editor; and Mike Trent, *Index* editor and *Echo* sports editor.

Five Sig Taus, Larry Burns, Paul Comer, Lou Coco, Bill Koch, and Ed White were selected to Who's Who in American Colleges and Universities.

On February 12, Beta chapter of Sigma Tau Gamma held its annual Founder's Day banquet. Established in 1894 as Phi Lambda Epsilon, Beta chapter of Sigma Tau Gamma was officially chartered October 25, 1921, and now has over 1300 alumni.

Culminating the year's events was the "Ryle Appreciation Day" for Dr. Walter H. Ryle, president emeritus, which was conducted at the White Rose spring formal.

# Tau Kappa Epsilon

Jerry Winter and Connie Schnirch admire the decorations at the TKE Trojan Dance.

The 1966-67 school year was a year of good fortune as well as bad fortune for the fraters of Iota Gamma. The bad fortune occurred when Paul Ruby broke his neck participating in an intramural fleetball game. Although the Tekes did not repeat as intramural fleetball champions, they gave a determined effort while gaining second place.

Other intramural activities played an important part for Teke in the 1966-67 year, but they also were again active in other roles.

The Tekes continued their efforts in service to the public by giving blood for the annual Red Cross blood drive, and entertaining underprivileged children at a basketball game.

Tekes were active in other campus life with presidents of various organizations: Jack James, Industrial Arts Club; Dallas Singer, IFC; George Halsey, Historical Society; Jim Dennison, SNEA; Terry Pinkerton, Junior Class; and Jim Vukich to the newly organized men's P. E. Club. Dallas Singer, George Halsey, and Jim Dennison were elected to Who's Who.

Outstanding work on rush resulted in the best pledge class in Iota Gamma's history.

Iota Gamma Tekes kicked off the start of the Centennial year with its own celebration of their Founders Day. Duane Woerpel, Teke National Alumni Director, was guest speaker.

Throughout the year many national Teke representatives visited the chapter and reviewed the young organization's rapid growth and success.

# Kappa Alpha Psi

Kappa Alpha Psi was founded January 5, 1911, at the University of Indiana by a determined group of ten young men who were seeking to fulfill their obligation to society. From its meager beginnings, Kappa has blossomed into a national fraternity with over 250 chapters and 50,000 members throughout the world.

Epsilon Eta chapter was founded on the Teachers College campus in 1963. Although being few in number, the men of Epsilon Eta chapter have strived to work toward goals which will better themselves, their society, their school, and their country.

During the 1966-67 school year Epsilon Eta was honored by having its Polemarch, Howard Bowens, elected to Who's Who. Another member, Bert Ollie Jr., represented the Teachers College IFC chapter at the national IFC convention in New Orleans.

All in all, it was a successful year for one of the younger chapters of Kappa Alpha Psi.

# Athletics

The Bulldogs are fortunate in having a completely competent coaching staff. Director of Athletics, James Dougherty, former sports star and football coach at the College, was appointed to his position in 1962. As a student at Kirksville, he earned letters in football, basketball, and track, playing on the famous Don Faurot grid squad of the early 1930's.

Head football coach, Maurice "Red" Wade, whose teams have won six MIAA conference titles and have tied twice for the crown, served his 16th year this fall at the helm of the Bulldog gridsters. Since 1951, Wade's teams have racked up 99 victories against 41 defeats and 2 ties, a 69 per cent average.

After graduating from Mountain Grove High School, the mentor starred at the University of Missouri in 1941-42 and the University of Tulsa the following two years. While at Mizzou, Wade made the honorary second team of the Big Six conference. He was also an honorable mention choice on All-American selections during his football career at Tulsa and Missouri.

Head basketball coach, Boyd King, began his 21st season as Bulldog cage mentor this year. Since 1946, his teams have won 328 games and lost only 154, a 68 per cent average. The Dogs have been MIAA champs or co-champs six times, have finished second seven times, third three times, fourth three times, and last only once.

Head track coach, Kenneth Gardner, joined the staff in the fall of 1951 as an instructor of physical education. During the past eight seasons, his cinder-men have been indoor and outdoor champions of the MIAA conference, winning national recognition for their accomplishments. Gardner is also assistant football coach.

Cross country coach, Dr. George Hermann served his sixth season this fall. The 1966 team finished second in the MIAA conference meet and 25th in the NCAA National College Division Meet.

Tennis coach, Ralph Pink, has served at this post for the past seven years. Kirksville netmen won the MIAA conference matches last spring for the third consecutive year.

The MSTC golf coach is William Richerson. He became an assistant football coach at the beginning of the 1961 season, handling the Jayvee squad and helping with varsity backfield men. Richerson was a member of Wade's 1951 MIAA championship team.

Assistant basketball coach Willard Sims has served four years on the coaching staff. Sims, who starred on Bulldog cage teams from 1950-54, was named to the 1951-52 and 1953-54 all-conference teams as a guard.

Baseball coach Sam Nugent has been athletic trainer for the past seven years. He was named head baseball coach when the sport was added to inter-collegiate competition last year.

H. A. Walmsley is in his second year as Bulldog wrestling coach. His 1965-66 grapplers recorded a 7-4-0 mark in dual meets and finished fourth in the MIAA tournament. This year they posted a 12-2-0 dual record.

## Dogs Lose MIAA Football Crown In Rebuilding Year

Beginning the season with a number of question marks, the MSTC Bulldogs failed to produce the reserve strength necessary to win all of the games. This year Kirksville faced the ordeal of finding new talent to fill

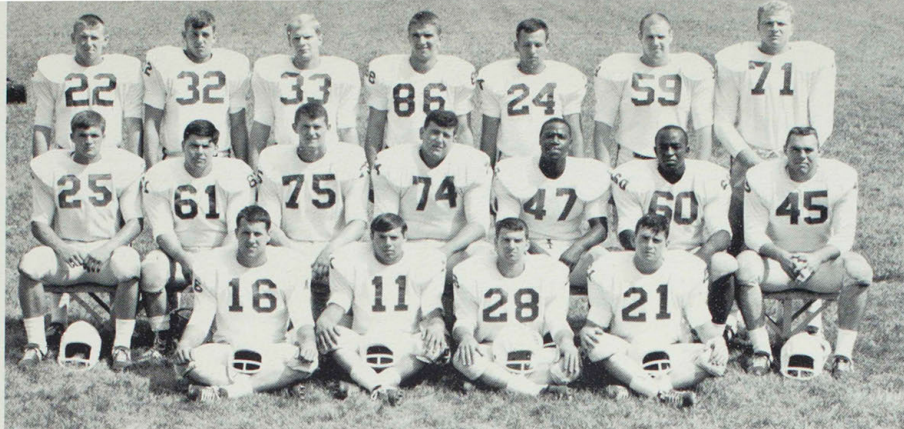

the gaps left by the departure of graduating seniors. As the season began, it appeared that the 'Dogs had filled these gaps with victories in three of four non-conference games. The sky then fell on Kirkville, after

Injury to key players, lack of depth, and the failure to produce a consistent scoring machine resulted in this year's football losses. Even with a 0-5 conference record,

there were a number of outstanding players on the team; and Bill Seman, Sharron Washington, and Larry Johnsen were honored on the MIAA all-conference teams. Tackle Seman and halfback Washington also co-captained the 1966 eleven.

# Bulldogs Outclass W.I.U. Leathernecks

KIRKSVILLE 16 — WESTERN ILLINOIS 6

The Bulldogs started the season with a favorable air out-classing the W.I.U. Leathernecks in a tough defensive battle. Kirksville's first big blast in the offensive department came in the second quarter when Sharron Washington ran 70 yards off-tackle for the halftime margin, 6-0. Rick Gorzynski broke loose for a 60-yard run in the third quarter to build the lead to 13-0, and Mike Bielc's 31 yard field goal finished the Bulldogs' scoring efforts. MSTC held the Leathernecks scoreless until the final three minutes of the contest.

## Parsons' Depth Proves Winning Factor

KIRKSVILLE 6 — PARSONS 34

Wildcat defensive linebacker, Bruce Cortez, literally tore the heart out of Kirksville's drive in the third quarter when he intercepted a pass and scrambled 58 yards for a touchdown. This gave Parsons the edge, 21-6 and they went on to win 34-6. The leading ground gainer for the Bulldogs was Sharron Washington who ground out 36 yards in 18 carries. Kirksville's only score came early in the game with Rick Reeves running up the middle from six yards out.

Top: Referee signals Parsons' touchdown as Bill Seman (77), Larry Johnsen (83), and Jim Farrell (78) show disapproval. Bottom: Sharron Washington crashes off-tackle into the grasping arms of the Parsons' Wildcats linemen as Ron Bielinski (86) helplessly looks on.

# Dogs Hammer Dales

KIRKSVILLE 26 — HILLSDALE 13

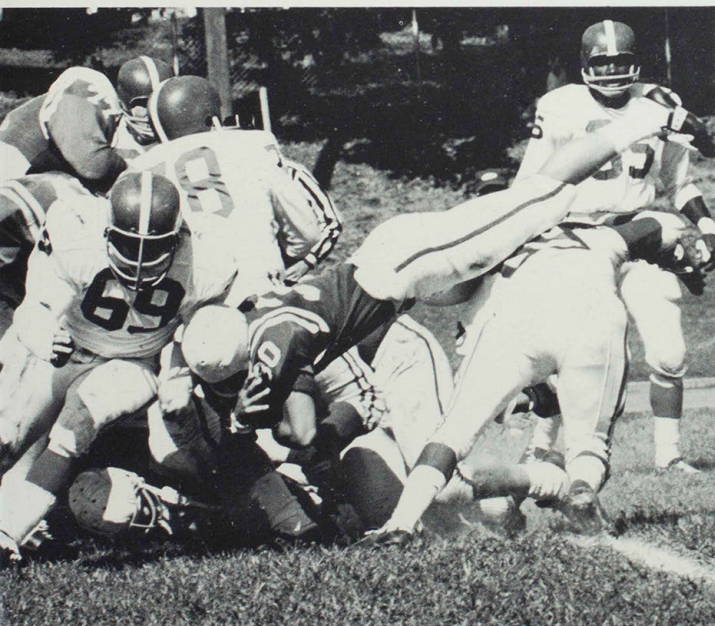

John Newcomb's three touchdowns upset Hillsdale College, the nation's third-ranked small college team. After Sharron Washington bolted 43 yards on the second play from scrimmage for an early lead, Rick Gorzynski connected with Newcomb for an 83-yard pass play giving Kirkville a 13-7 lead in the third quarter. With only seven minutes remaining in the game, Gorzynski again completed a pass to the sure-handed Newcomb for the Dogs' third TD. Killing any chance for a Hillsdale comeback, Kirkville regained possession of the ball with 6:05 left in the game. Rifle-armed Gorzynski hit Newcomb for the third time and for the Bulldogs' final tally.

## Bulldogs Trample Pittsburg

KIRKSVILLE 49 — PITTSBURG  
14

Bulldog offensive unit exploded against Kansas State College of Pittsburg, scoring 35 points in the first half. Wingback Rick Reeves, scrambling 39 yards for a TD on the first play from scrimmage, began the holocaust for the Gorillas. Following Reeves' tally, Steve Garrett scored on a one-yard run, Bob Walters plunged over from one foot out, Jerry Meyer scored on a four-yard run, and Mac Pendleton grabbed a six-yard pass from quarterback Paul Comer. With about a minute left in the third quarter Rick Gorzynski hit John Newcomb for an 85-yard scoring pass. Sharron Washington rounded out the victory with a five-yard dash in the fourth period.

Top: Rich Stallings (60) leaps high to steal pass from a Hillsdale receiver.  
Bottom: Halfback Steve Garrett (30) literally plunges into a human Gorilla wall for a touchdown.

# Bulldogs Fail to Gain Homecoming Victory

KIRKSVILLE 6 — SPRINGFIELD 21

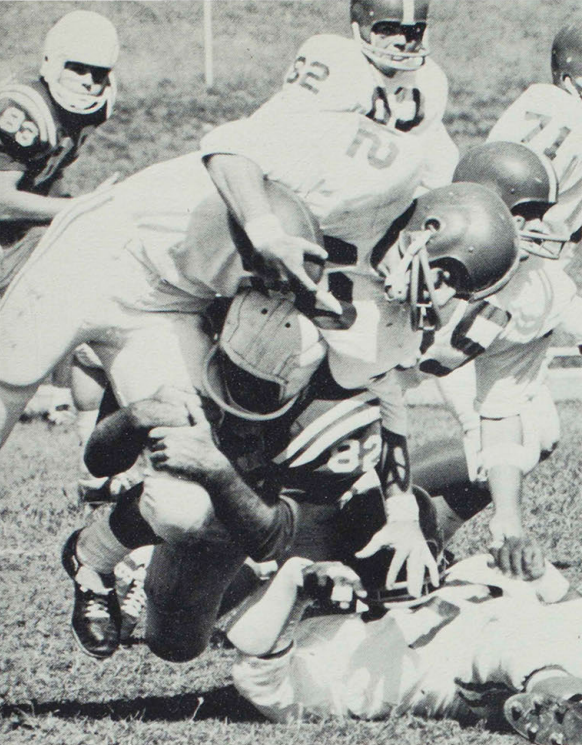

A tough Springfield team spoiled Kirksville's bid for a Homecoming victory. The Bulldogs were never in the lead and were down 13-6 at halftime. Halfback Sharron Washington, Kirksville's biggest ground threat, was held at bay by a tremendous Bear defensive line led by 6' 8", 325-pound Sam McDowell. The loss ruined all chances for a Bulldog cut of the MIAA conference title.

Top: Bulldogs crash through Homecoming victory hoop to the chant of hopeful cheerleaders prior to opening kick-off. Lower left: Hustling defense personifies the determination of the MSTC gridiron team.

Lower right: A glorious time for passing, quarterback, Rick Gorzynski, is protected from the onslaught of rushing Bears by the offensive pocket set up by fellow teammates.

# Bulldogs Lose Hickory Stick

KIRKSVILLE 21 — MARYVILLE 24

Kirksville, losing the traditional Hickory Stick game with Maryville, began MIAA conference play on a dismal note. The Bearcats, taking advantage of the breaks in the game, gave a fine defensive performance, although the Bulldogs led in all of the offensive statistics. Kirksville outdowned the winners 13-10, outrushed them 119 yds.-75 yds., and overwhelmed the 'Cats in the air 214 yds.-87 yds. for a total yardage count of 333-162.

Top: Lou Coco (82) latches on to Pittsburg Gorilla left halfback, Gary Wilson (42), to bring him to a grinding halt.  
Bottom: Bulldog defensive stalwarts loom large in the face of the oncoming charge of the Warrensburg offensive unit.

## Dogs Outlasted by Mules

KIRKSVILLE 13 — WARRENSBURG 17

The hapless Bulldogs lost their third straight conference game to Central Missouri State College. Warrensburg completely dominated Kirksville, leading 10-0 at the intermission. MSTC began the second half in a fruitless rally with freshman Bob Walters plunging over from the one-yard line. Sharron Washington then raced 81 yards for the Bulldogs' final touchdown in the Mules' homecoming game.

## Bulldogs Rocked by Rolla

KIRKSVILLE 0 — ROLLA 16

University of Missouri at Rolla locked Kirksville in the MIAA conference cellar as they handed the Bulldogs their fourth conference defeat. Utilizing ball con-

trol and capitalizing on Kirksville fumbles, the Miners dominated the game from the second quarter on. The contest marked the first time the Bulldogs had been held scoreless by Rolla in 25 years.

## Cape Indians Trounce Dogs

KIRKSVILLE 19 — CAPE GIRARDEAU 41

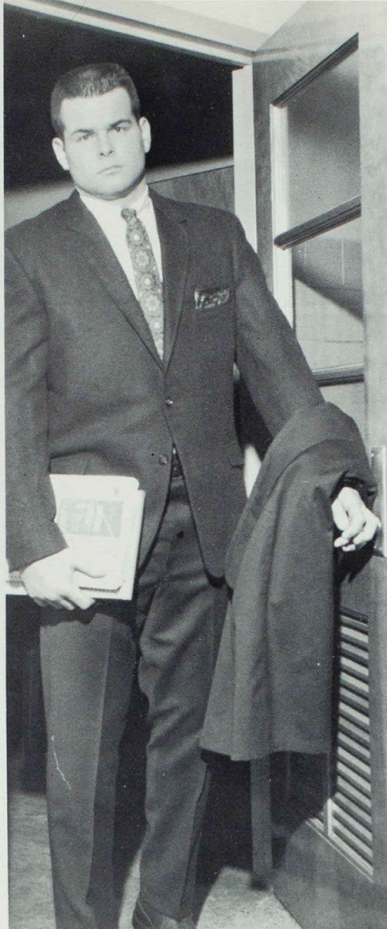

The Bulldogs finished the season by losing their finale to the Southeast Missouri Indians. The Kirksville season record of three wins and six losses was the result of total defeat in the five conference games. This game marked the end of the college football careers of Sharron Washington, Paul Comer, Lou Coco, Bill Seman, Larry Johnsen, Ande Lowe, John DeLuca, Pat Butler, Terry Nickels, Jim Willet, Barry Deist.

Top: Rich McKeon (53) is like the "man on the flying trapeze" as he attempts to block for Bob Walters, freshman halfback for the Bulldogs.

## MIAA All-Conference Stars

A trio of Bulldog gridiron stars were honored on the 1966 MIAA All-Conference football team. Sharron Washington was placed on the mythical first offensive unit at a halfback position for the second consecutive year. Bulldogs Bill Seman and Larry Johnsen were honored on the all-league defensive squad for the first time.

Co-captain Washington, a senior from St. Louis,

received honorable recognition on the Little All-American team last year. Bill Seman, the other co-captain, was spotted as an all-league defensive tackle. Seman is a 6-4, 245-pound senior from Springfield, Ill. Larry Johnsen, an excellent pass rusher and a Bulldog stalwart, was given the berth as a defensive end. Johnsen, a 200-pound senior, is from Port Byron, Ill.

## Harriers Battle Tough Competition

Placing twenty-fifth in the National College Athletic Association Cross Country Meet in Wheaton, Illinois, the MSTC Bulldogs completed a somewhat unimpressive season. The results of the season's competition, however, proved to be as satisfying as last year's because of the tougher schedule this year.

The Bulldogs began the season with their initial victory at the University of Missouri Invitational at Rolla running followed by a victory over Lincoln University. From this point the harriers declined, losing two dual meets, placing seventh at the Springfield Invitational, and finishing second to Cape Girardeau in the MIAA conference meet.

Ron Werling, a 2-year Cross Country All-American, again led the Bulldogs throughout the year. Werling had the opportunity of competing with the University National Finalists in Lawrence, Kansas.

## Bulldogs Finish Third in MIAA Race

### Season Record

Won 11 - Lost 12

The Bulldog cagers, bouncing from their cellar finish in the MIAA conference last year, began the season as a young squad with great potential. Determination, desire, and spirit made the maturation of this potential feasible. Beginning the season on a sporadic note, with six returning lettermen, the team hit their stride with fifth place in the Quincy Holiday Tournament. After losing the first game of the tourney to St. Benedict's, the Dogs whipped Bellarmine and Quincy.

The Kirkville quintet were, amazingly, in a battle with Cape Girardeau for second place in the conference when the Indians soundly defeated the Bulldogs 90-76. The determination and desire of the team pulled them to an overtime victory over Rolla the next night.

As the season progressed, the cagers remained about the .500 mark in their game decisions until they were slaughtered by nationally-ranked Springfield. With a victory over Warrensburg in the final conference tilt, King's cagers cinched third place honors in the MIAA.

# Bulldog Scorers

Five Bulldog cagemen averaged above seven points per contest in the 23-game schedule. Dave Wild, team leader with a 14.6 point average for 23 games, was ranked among the MIAA conference scorers. Wild was closely followed by Mike McPheron who managed to score at a 13.1 clip per game for the 23 games. Ranking third among the Bulldog sharpshooters, Leonard Butler compiled a 9.2 scoring rate for 21 games. Big John Hines, coming on strong in mid-season, was a part of the top five Bulldog shooters with a 9.0 average in 23 games. The battling Kirksville playmaker, Bob Brown, a senior guard, shot at a 7.3 rate per game for the entire season. Last year only four Bulldog cagers were able to average above seven points per game with the high at 13.0.

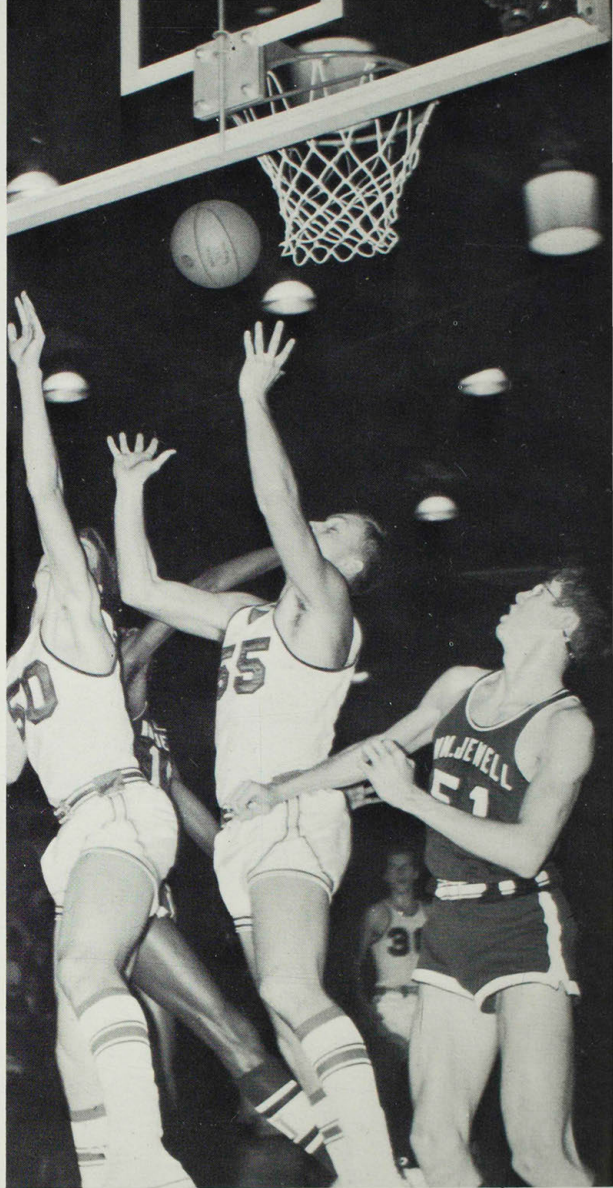

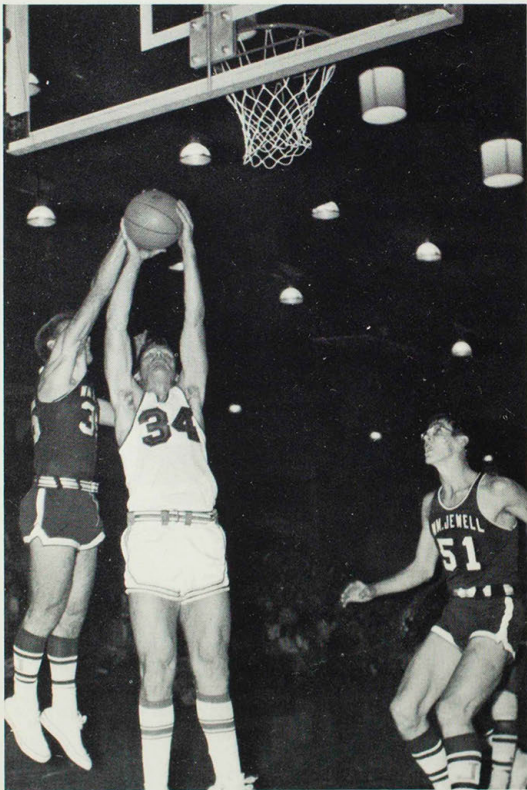

Below, Dave Wild, Bulldog's leading scorer, lays in a field goal against William Jewell College. Kirksville won the game 74-66. Top right, Leonard Butler scores on a fast break as he dumps in 17 points against Jewell. Bottom right, Mike McPheron, second ranked Bulldog sharpshooter, pumps in a two-pointer.

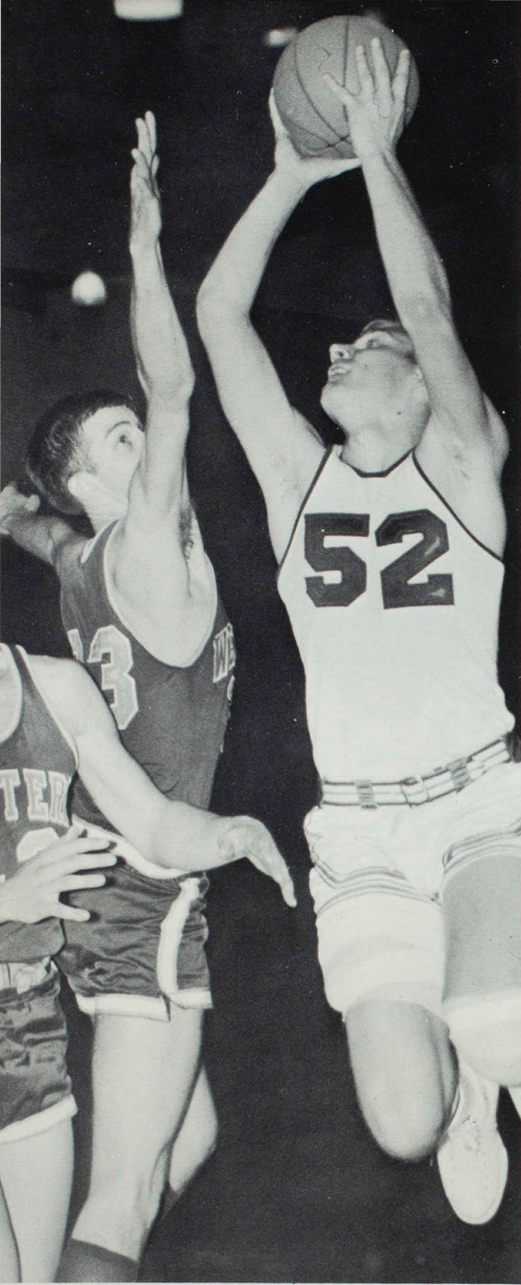

# Bulldog Rebounders

The Kirkville Bulldog basketball team was led in the rebounding department by Dave Wild, who was also the top scorer. Wild, a sophomore sociology major, gained 180 rebounds in 23 games. Following Wild was the 6' 7", 245 lb. center, John Hines. The big pivot man pulled down 89 rebounds in 23 contests. Little Bob Brown managed to grab 81 rebounds in 23 games from his guard position. Playing in 21 contests, Leonard Butler gained 63 rebounds for the fourth place among the Bulldog cagers. Mike McPheron rounded out the top five rebounders with 63 grabs in 23 games.

Top, Dave Wild and John Hines battle for the basketball as it bounds off the backboard in the William Jewell game. Right, senior forward, Leonard Butler, steals a rebound from opposing player.

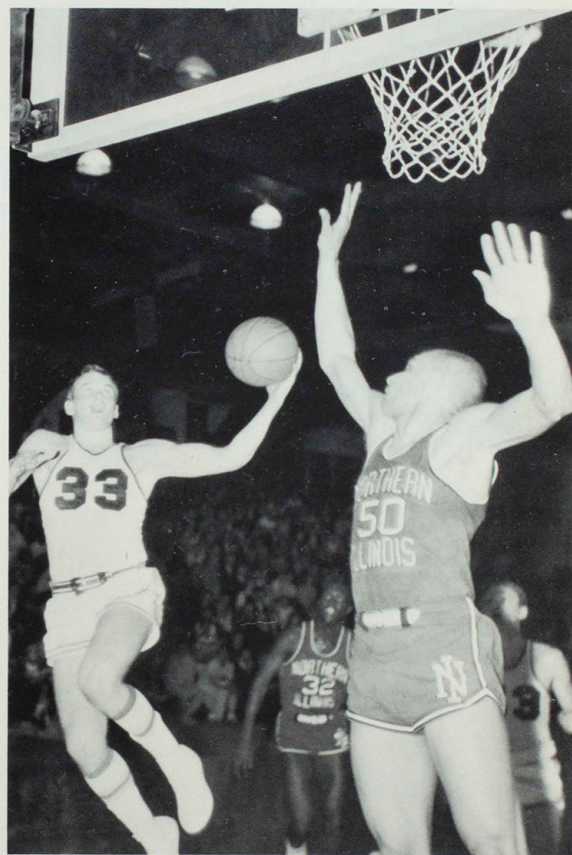

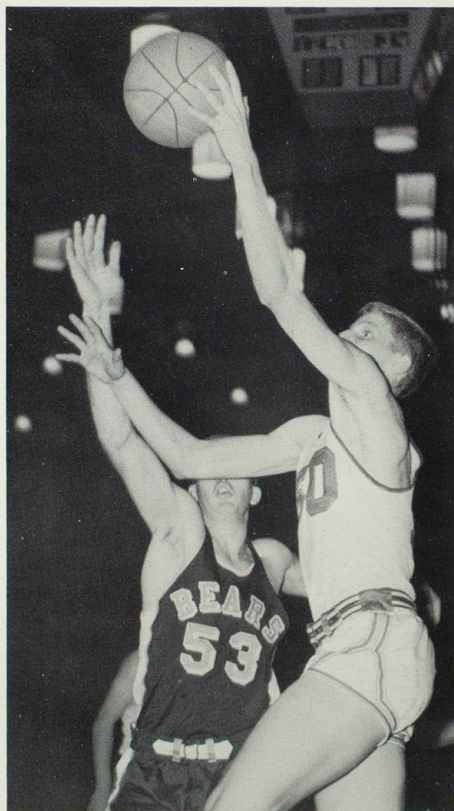

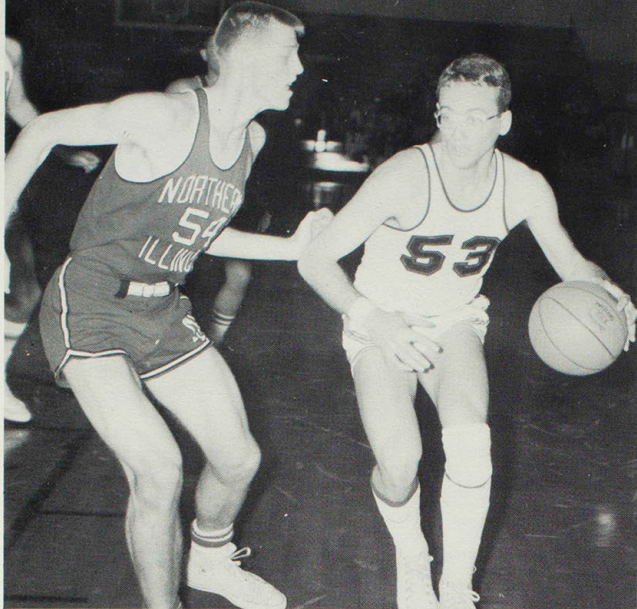

Top, Dennis Hogan sails through the air in a driving lay-up attempt against Western Illinois. The Leathernecks won the game in the last five seconds. Right, Bob Brown drives for a two pointer against Northern Illinois. Kirksville won the contest 87 - 82.

## Bulldog Sharpshooters

Three Bulldog cagers shot above a .410 percentage from the field in the scheduled contests this season. Center John Hines was the most accurate deadeye, hitting .530 of his shots. Leonard Butler, playing in 21 games mainly at an outcourt position, sank .493 of his field goal attempts. The Bulldog gunner, Dave Wild, ranked third among his teammates in the field goal percentage department. Wild maintained an outstanding .416 shooting percentage from the field.

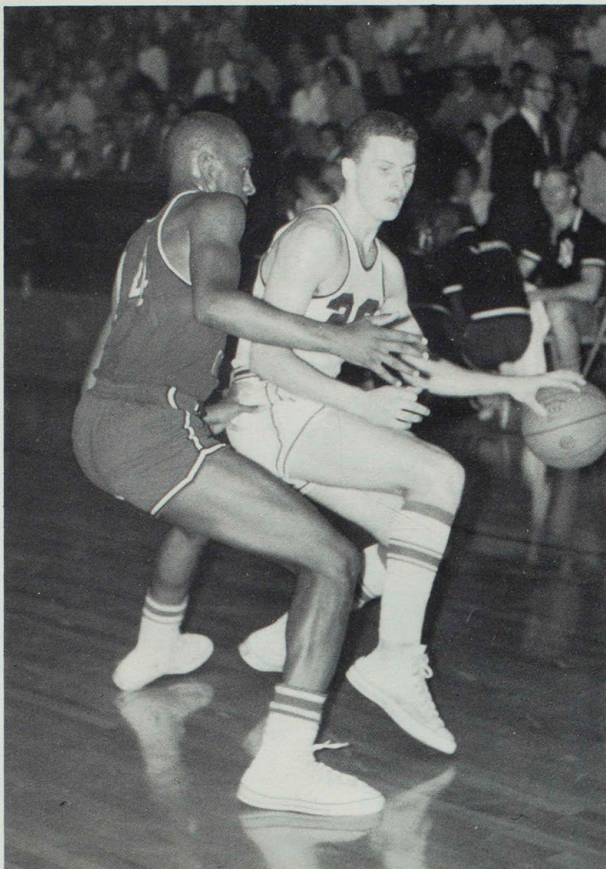

## Free Throw Artists

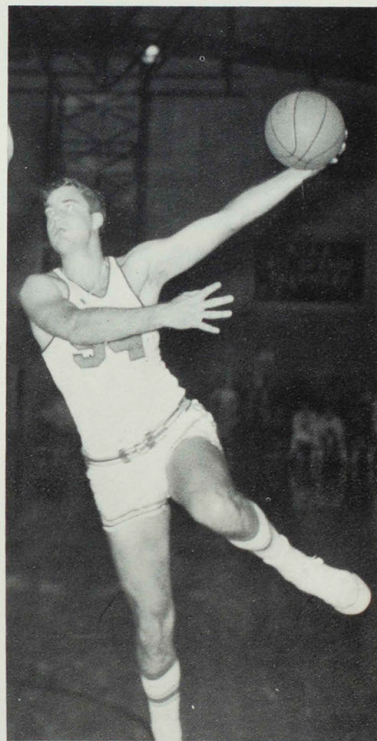

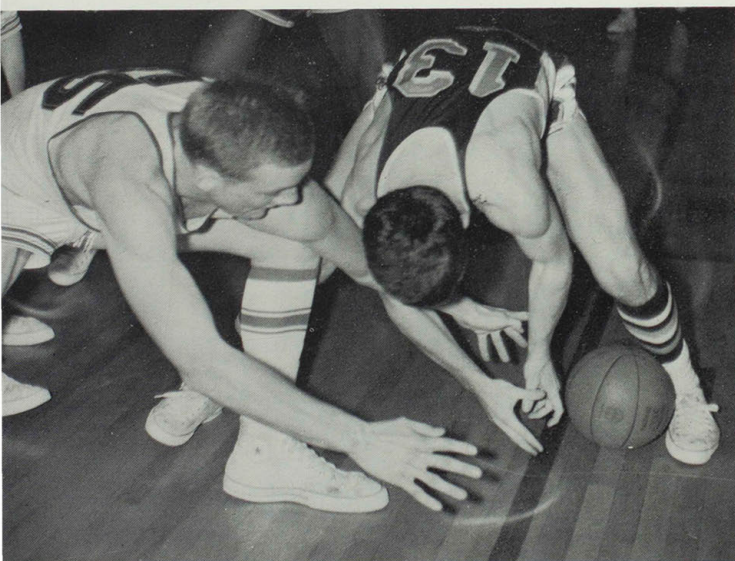

A determining factor in many of the Bulldog's victories was their prowess at the charity line. Four Bulldogs maintained a percentage of .730 or better on their free throws. Rich Rider, pictured above, converting 14 of 17 attempts for an .823 average, was high among the Bulldog cagers. Chuck King, top left, maintained an .800 rate in making 20 shots in 25 attempts. Dave Wild, pictured bottom left driving for two points against top-ranked Springfield, was third in the Bulldog free throw artists' ranks with a .739 percentage. Mike McPherson managed to sink his free throws at a .730 clip.

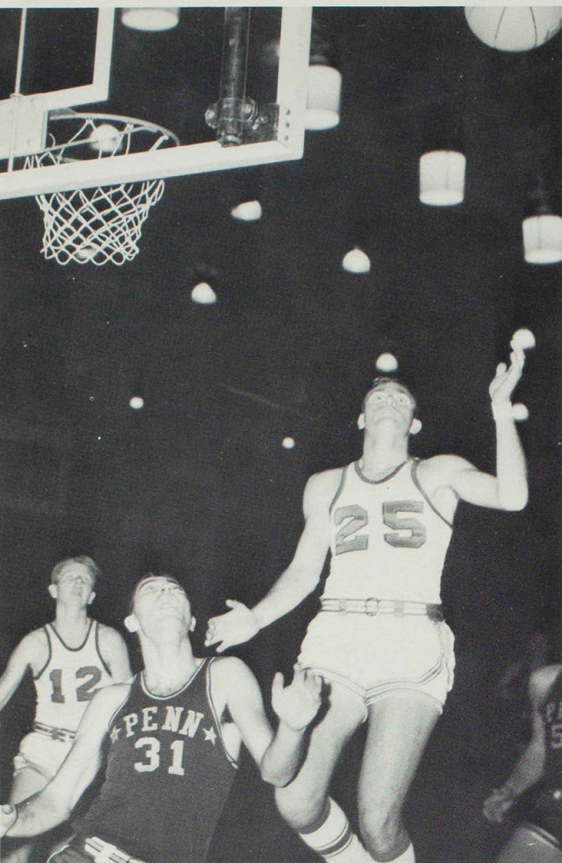

## Bulldog Ballhandlers

Bottom left, 6' 7" John Hines tests different atmospheric conditions as he scrambles for a loose ball in the Springfield game. Above, Jim Breckenridge chases a rebound in the William Penn game. The Bullpups won the contest 82-62. Right, Steve Jurkins passes to a teammate against William Penn guarding.

## Winning Junior Varsity

Coach Willard Sims' junior varsity cagers proved that MSTC basketball fans will have much to look forward to in the next few years. With a season record of nine victories against one defeat, losing only to the University of Missouri junior varsity, Sims' cagers were a well-balanced team with a cast of outstanding players. In a number of games the starting quintet all scored in the double figures. In the Culver-Stockton College contest, the Bullpups smashed the century mark with a score of 115-73. The team also defeated the Memphis Independents 111-54. Combining this year's young varsity with the junior varsity squad, MIAA conference crown hopes will soar for MSTC next year.

# Bulldog Spirit

Through the years the Bulldog spirit, as perpetuated by Coach Boyd King, has made MSTC basketball teams one of the most respected and feared teams in the MIAA conference. A year ago, for the first time in 20 seasons, a Bulldog basketball team finished in the cellar. This year Coach King's crew, fighting against tremendous odds and the experts' predictions, regained third place in the conference standings. A brief look at the basketball history of MSTC will illustrate the significance of Bulldog spirit. In the last 21 years the Bulldog cagers have won 328 games and lost only 154, they have been MIAA champions or co-champions six times, and were second place finishers seven times.

Basketball head coach, Boyd King, raises the Bulldog spirit as he shouts a message to the cagers during a free throw at the opposite end of the court in the Cape Girardeau game.

In a spirited huddle, the Bulldogs listen to Coach Boyd King's strategy during a timeout in the Maryville game. The strategy and spirit were successful as the Dogs slammed the Bearcats 79-61.

# Grapplers Personify Improvement

In MSTC's second year of intercollegiate wrestling, the Bulldog grapplers were the personification of impressive improvement. Coach H. A. Walmsley was rather pessimistic about the team's chances for success at the outset of the season with the loss of five outstanding lettermen from the 1966 squad's debut of a 7-4 dual record.

The wrestling mentor's impressions gradually improved with the team's progress through the season, culminating with a dual record of 14-2. The Bulldog's losses were to Northwest Missouri, a top small college power, and the University of Missouri.

Kirksville's second place finish behind the defending co-champion Northwest Missouri in the MIAA Conference Wrestling Tournament, was another example of the team's successful improvement in the 1967 campaign. The Bulldogs finished fourth in the conference tournament a year ago.

Steve Matukaitis was elected captain of the wrestling team.

A Bulldog wrestler prepares to change position with his opponent. This is a situation where a moment's relaxation can result in the loss of points.

The honor of the 1967 Outstanding Wrestler for the Bulldogs was awarded to Richard Beard. A freshman heavyweight from Ottawa, Illinois, Beard won the heavyweight crown in the MIAA Conference Wrestling Tournament. The members of the Bulldog wrestling team select the outstanding wrestler.

Something's gotta give, as a Kirksville wrestler entangles his opponent.

# Tennis Crew Shoots for Fourth Straight MIAA Crown

Shooting for their fourth consecutive MIAA conference championship, six lettermen return to Coach Ralph Pink's highly touted tennis ranks. The previous monogram recipients include Jim Marsh, Wendell Kilian, John Newcomb, Ron Selkirk, Dave Romberg, and Dick Topping, a 1964 MSTC letterman.

Tennis competition opened last fall with Dave Romberg and Ron Selkirk combining their skills for second place honors in the Missouri Collegiate Tennis Tournament held at St. Louis University. During the winter, the Bulldog racquet bearers defeated Iowa State University and Drake in the Des Moines Tennis Invitational.

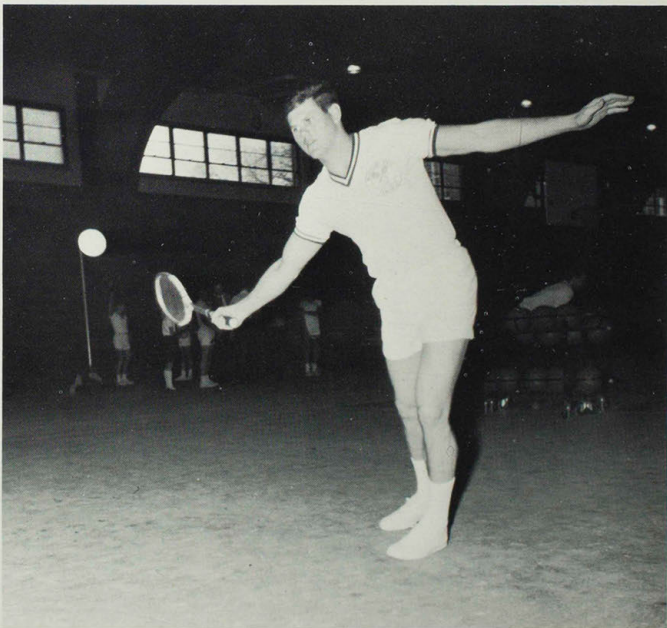

Five indoor meets, all taking place in the Pershing Arena, and 13 outdoor meets were the agenda for the spring activities. The Bulldogs also hosted the sixth annual Indoor Invitational Tournament this spring.

Undeclared in 13 contests last season, the tennis team will participate in this year's NCAA Tennis Championships held at the University of Chicago in June.

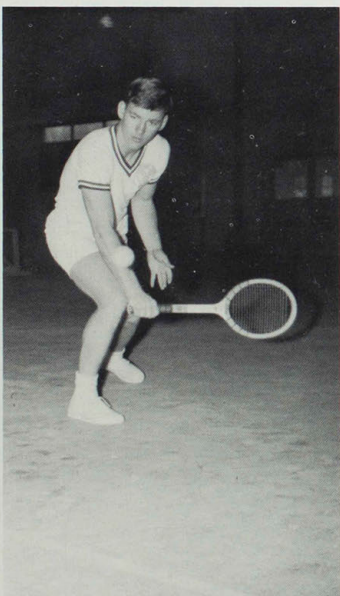

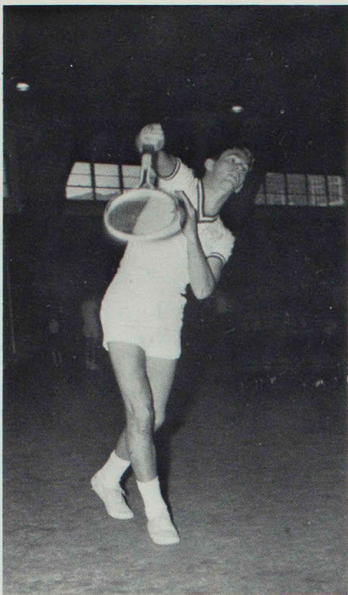

Row 1: Dick Topping, Mark Morrow, Dave Romberg, Wendell Kilian. Row 2: Ralph Pink, coach; Bruce Rice, Ron Sterchi, Ron Selkirk, John Newcomb, Don Lovell, Ken Clow.

Lettermen John Newcomb is predicted to be a stalwart in the Bulldog's drive for their fourth consecutive MIAA title.

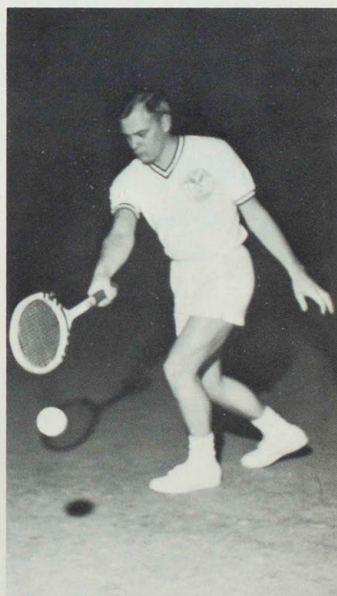

Above left, Ron Selkirk, a returning letterman, should be one of the Bulldog's top competitors.

Undeclared in last season's singles competition, Dave Romberg participated in the Missouri Collegiate Tennis Tournament last fall, above center.

Above right, Wendell Kilian, a top-flight tennis man, is one of the winningest players in MSTC's tennis history.

Left, Jim Marsh, winner of all his matches in the drive for the 1966 MIAA title, is slated to be one of the team's top singles and doubles men this year.

Dick Topping, a returning letterman from the 1964 squad is a welcomed addition to the 1967 team, right.

# Prominence for Golfers

With six returning lettermen, Coach William Richerson has the potential for a contending MIAA conference championship golf team. Back from last year's 4-4-1 team are letter winners Mike Delehaunty, Pat Elliott, Mike Brake, Dick Patchett, Bill Menge, and Jeff Revier.

The 1966 campaign was designated as a rebuilding year for the Bulldog linksmen with only two returning veterans, Jeff Revier and Dick Patchett. Although the team finished in the conference cellar, it accomplished its rebuilding goal with outstanding performances from many of the golfers on the young team.

Hopes are high for the 1967 season as the Bulldogs begin preparation for a tough schedule including Culver Stockton College, Western Illinois University, Lincoln University, Parsons College, Drake University, University of Missouri at Rolla, Central Missouri, and Northwest Missouri.

The MIAA conference tournament is scheduled for May 11, 12, and 13 with Southeast Missouri as host at Cape Girardeau.

Mike Delehaunty, one of last year's top competitors, lines up his attempt for a successful putt.

Row 1: Mike Delehaunty, Pat Elliott, Mike Brake. Row 2: Dick Patchett, Mark Miller, Bill Menge, Jeff Revier, Rick Mansfield, William Richerson, coach.

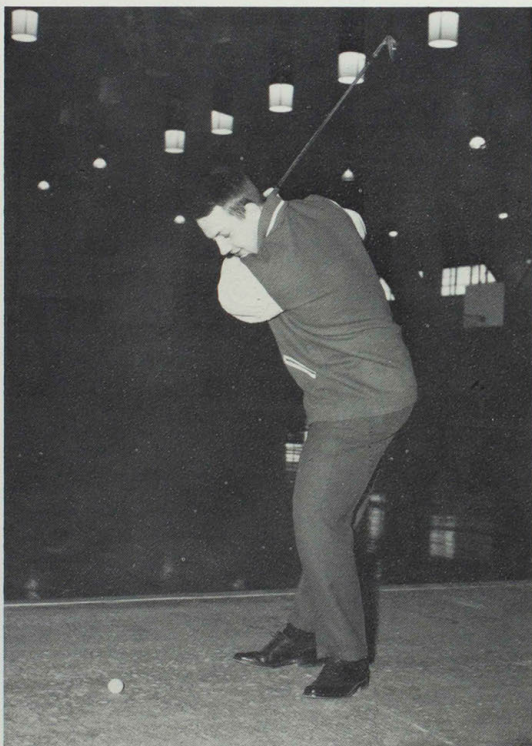

Bill Menge, a returning letterman, displays his golfing equipment. Menge's golf bag is made of snakeskin.

Four-year member of the MSTC linksmen, Dick Patchett swings into action.

Letterman Pat Elliott, one of the stalwarts on last season's team, receives instruction from Coach Richerson.

Row 1: Sam Nugent, coach; Howard Ryan, Paul James, Mike Anthony, Steve Morrow, Dave Hopkins, Phil Wormsley, Ken Parker, Dwight Linnemeyer, David Wild, Barry Deist, Rick Gorzynski, Jerry Meyer, John Suddarth, Jim Wilson, Frank

Burkhart, Clarence Jansen. Row 2: Jim Baker, Tom Kirchner, Jim Wright, Steve Leeper, Ron McCorley, Robert Monteith, Richard Smith, Lou Coco, Ed White, Jerry Martie, Dean Wood, Frank Schultz.

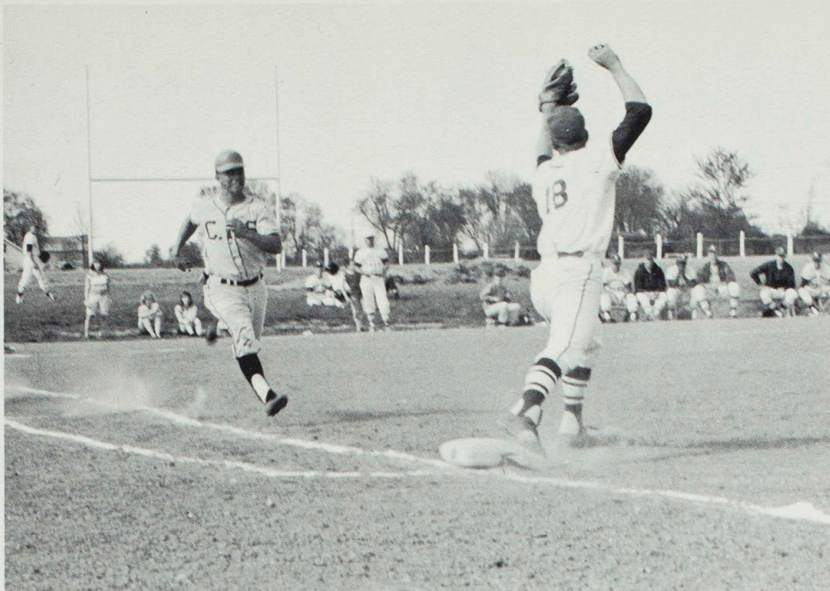

## Intercollegiate Baseball Resumes for Bulldogs

A Bulldog batsman swings from the heels as he attempts to smash the baseball. Kirksville fighting nine finished third in last year's MIAA competition.

Baseball, resuming last year as an MSTC intercollegiate spring sport for the first time since 1948, looks bright for the Bulldogs this year. Coach Sam Nugent has ten returning lettermen from the 1966 third place MIAA conference finishers. The letter winners back from last season's 4-8 campaign include Paul James, Phil Wormsley, Dave Wild, Mike Biellic, Dwight Linnemeyer, Mike Anthony, Rick Gorzynski, Steve Morrow, Jerry Meyer, and Ken Parker. Playing all of last season's contests on the road, the Bulldogs are scheduled to have a new field for home games this year. The conference is divided into north and south divisions with the teams in the separate divisions playing only each other in the regular season. Kirksville, Warrensburg, and Maryville are in the northern section with Cape Girardeau, Springfield, and Rolla composing the southern division. The Bulldogs opened the conference schedule at home against the Warrensburg Mules.

A Bulldog first baseman stretches to pull in the baseball for the final put out of the inning.

Jerry Martie in a wide slugger stance prepares to rip the rawhide. Last year's baseball team ended the season with four victories and eight defeats.

# Thinclads Destined for National Acclaim

The Bulldog thinclads are destined to accomplish their ninth and tenth consecutive MIAA conference indoor and outdoor track titles this year. Coach Kenneth Gardner, in his 16th year as MSTC track mentor, predicts that the 1966 tracksters are as good as any he has ever coached.

With three key transfers and a number of top-flight freshmen added to last year's returning champions, the Bulldogs may capitalize on the opportunity to become a nationally-ranked small college team.

The Kirksville thinclads opened the season with a show of power in defeating Western Illinois University and Culver Stockton College in a triangular and finishing second to Iowa University in a meet with the Hawkeyes and Grinnell College.

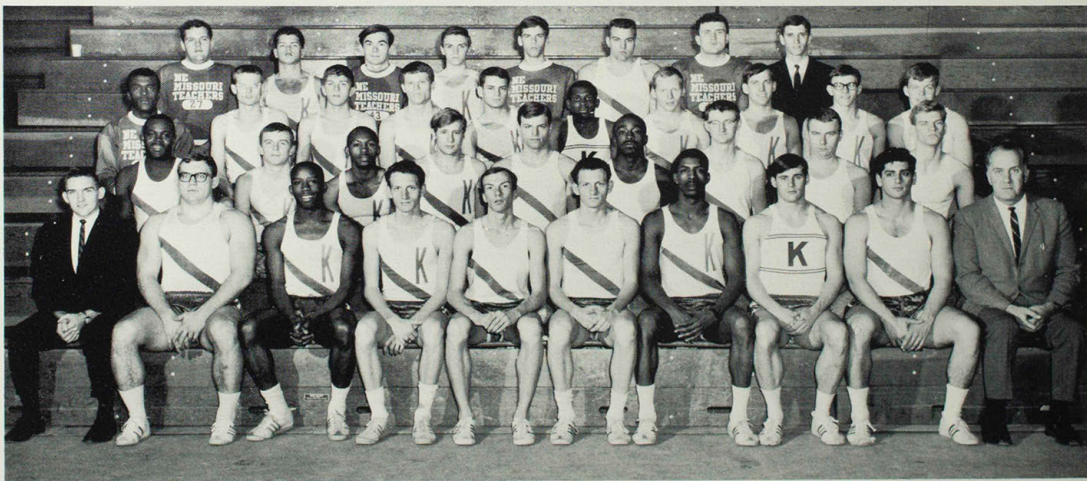

The Bulldogs also gave impressive performances in the NAIA indoor meet and the Mason-Dixon Games. Hoping to collect many accolades, the track team is scheduled to compete in such nationally recognized track events as the Texas Relays, Kansas Relays, and the Drake Relays.

Paul Economides, transfer student from Cornell in New York, broke the shot put record in the first meet of the year.

Row 1: Craig Guinn, graduate assistant; Ralph Gleissner, Fred Banks, Ron Frost, Ron Werling, Bob Frost, Ron Davis, Jerry Krumeich, Paul Economides, Kenneth Gardner, coach. Row 2: Sharron Washington, Rodger Lawrence, Al Jackson, Stan Hack, Doug Overbeck, Rich Stallings, Jim Lowery,

Terry Luikart, Garry Boyd. Row 3: Brambel Jones, Keith Allen, Bill Young, Rich Rother, Barry Gentile, Jerry Walker, Lloyd Wiese, Jerry Kusek, Wayne Denney, Ron Frenzen. Row 4: Arthur Waggoner, Ron Clawson, Steve Leeper, Vic Davis, Tom Logan, Terry Smutzer, Bob Groff, Terry Weis.

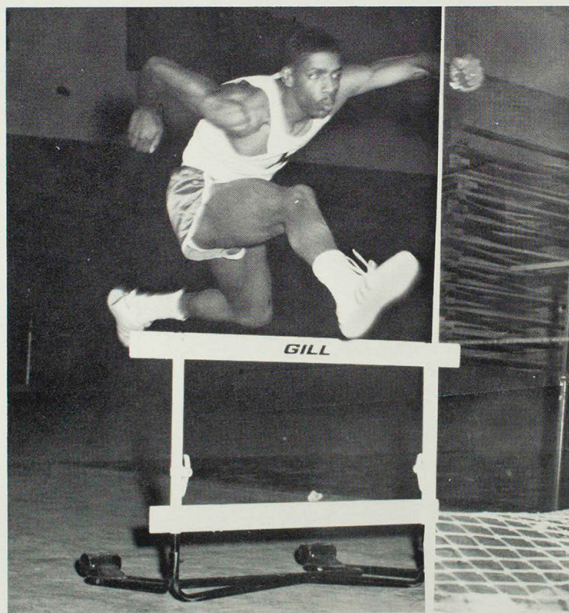

The Bulldogs are favored with strong relay teams this year. Above left, left to right, Bob Frost, All American Ron Werling, Ron Frost and Wayne Denny form an outstanding two-mile relay team. Above right, left to right, Ron Davis, Fred Banks, Jerry Krumeich, and Al Jackson make up the 440 and 880 relay teams with Jerry Walker replacing Jackson to form the mile relay team. A promising freshman two-mile relay team, below left, is composed of left to right, Bill Young, Keith Allen, Tom Logan, and Rodger Lawrence.

Sprinter Al Jackson a transfer from Eastern Texas and All American speedster Jerry Krumeich prepare to burst out of the starting blocks at the sound of the gun.

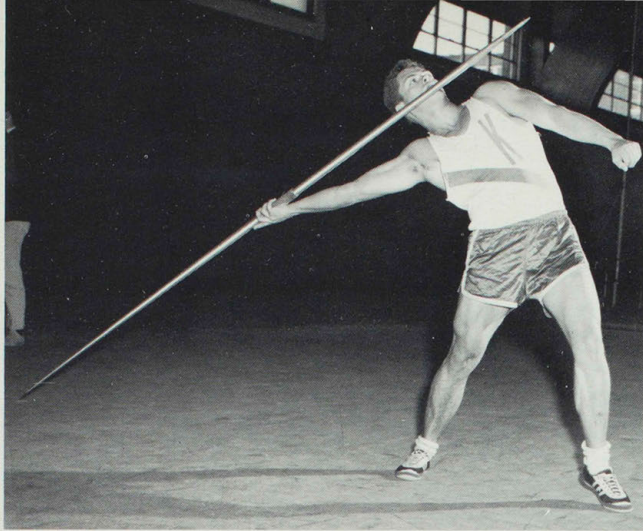

Hurdler Ron Davis moves through his paces in preparation for the season's competition.

Jim Lowery high jumps over the bar in hopes of a soft, foam rubber landing.

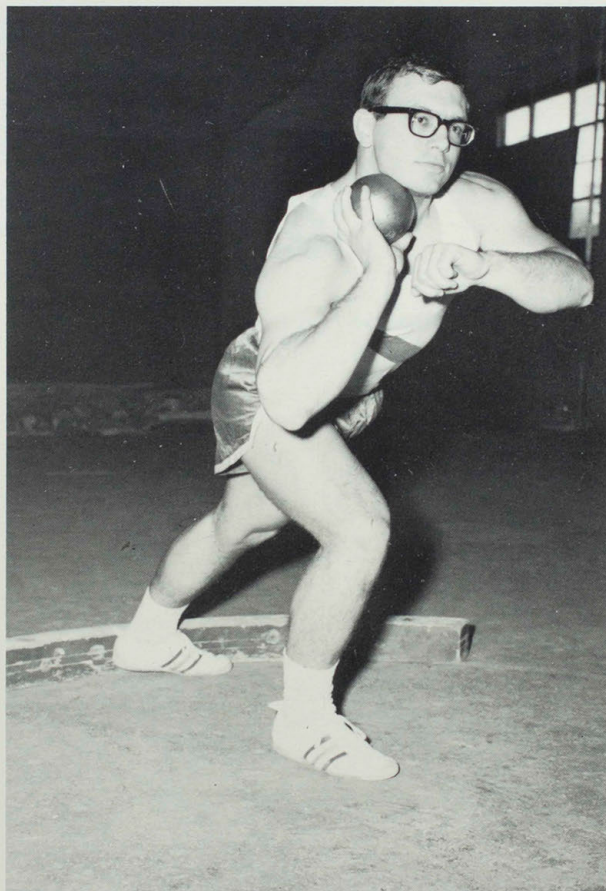

Javelin thrower Ron Clawson exhibits the muscular tenseness in the final moments before launching the sphere.

Ralph Gleissner gets set to heave the shot put.

# Battle Action in Intramural War

The war for the All-Sports Trophy raged on a variety of intramural battlefields. Competition included a record number of men and women participants this year. Beginning in the fall, the fleetball battle was won by the McPhersons. Ed Porter (AKL) won the next clash taking the tennis singles and with teammate Jim Hutchinson (AKL) won the doubles title.

The Samoans, below, victorious over Sigma Tau Gamma in the volleyball competition, won their first intramural championship. In the grimmest battle of the intramural war, left, the TKE Knights won the tug-of-war honors.

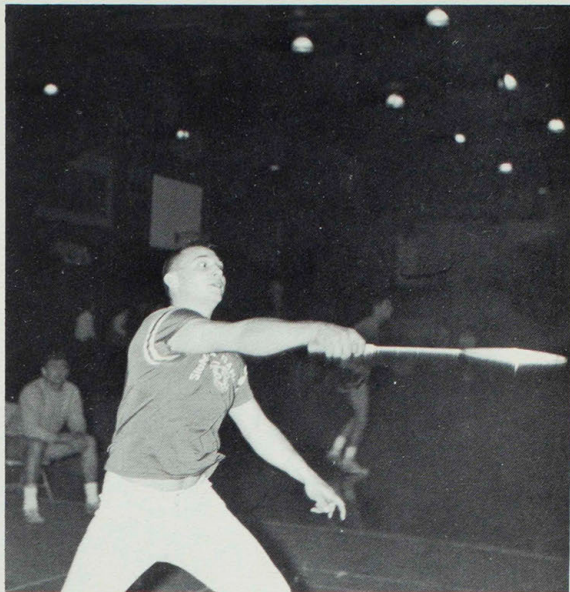

Mo-Ping Lai, representing the International club, won the table tennis singles and teamed with Cam-field Ip to win the doubles championship.

Steve Kircher (STG) won the badminton tourney and teamed with Ed White (STG) to take the doubles. The spring battles in track, horse-shoes, and softball concealed the secret of victors of the trophy war.

Singles badminton champ, Steve Kircher, displays his winning form in the return of a serve.

Opposing players battle for the spiking honors during the intramural volleyball competition in the Pershing Arena.

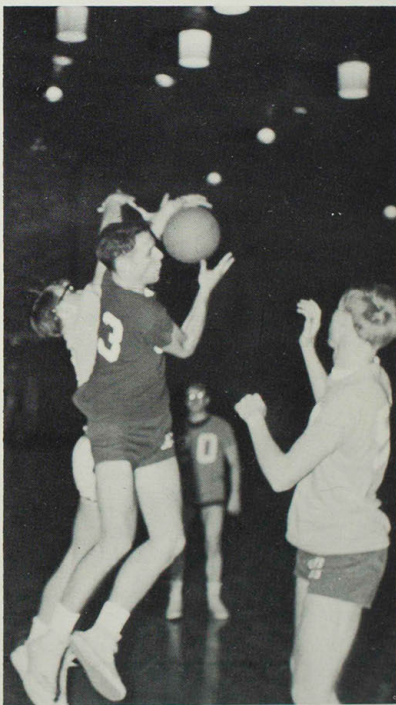

"Till fatigue do us part! Members of a tug-of-war team complacently lounge about after the tiring debacle.

Leulumoega Suesue, Samoan star, spikes the ball during the volleyball championship game. Defending are Dean Woods (88) and Ed White of Sigma Tau Gamma.

Intramural basketball wars continue as the season progresses. Tough competition prevails in the 15 men's leagues. At right, two men determinedly fight for a rebound.

From left, Ruth Drown, Alice Patton, and Marion Cormeny of the Junior II team tug away during their pull with the Freshman-Sophomore girls.

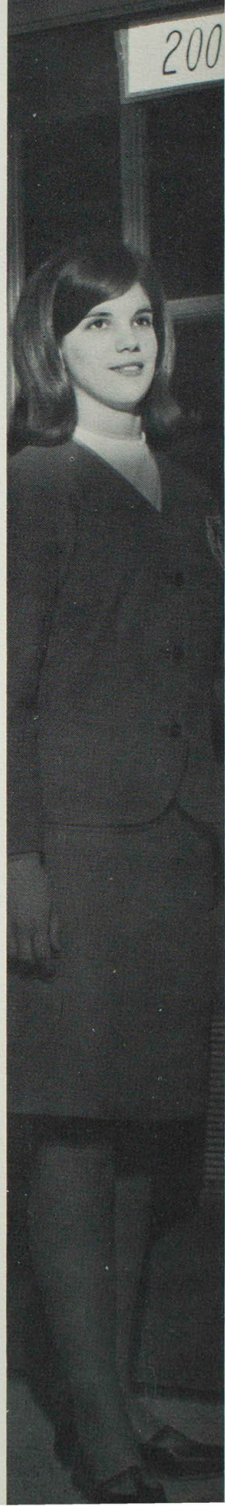

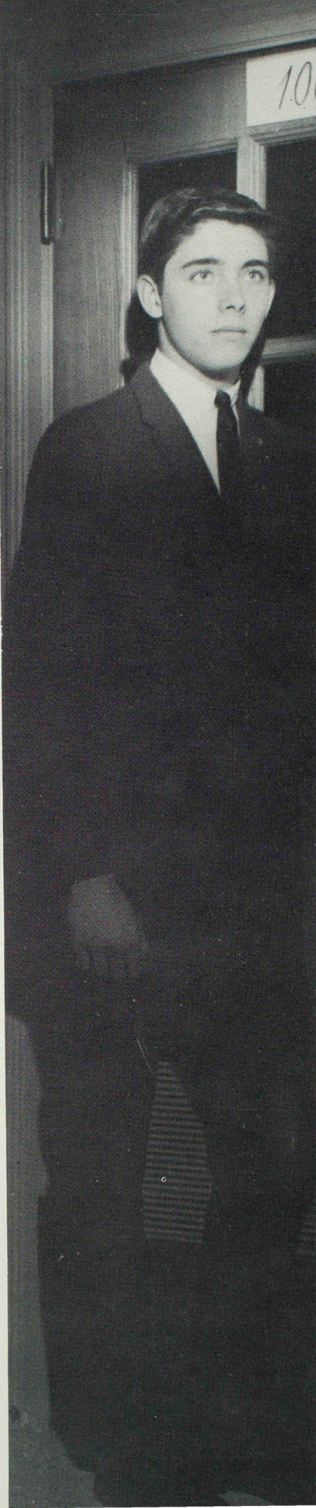

The weaker sex can also get tough as seen in the girls' intramural basketball competition.

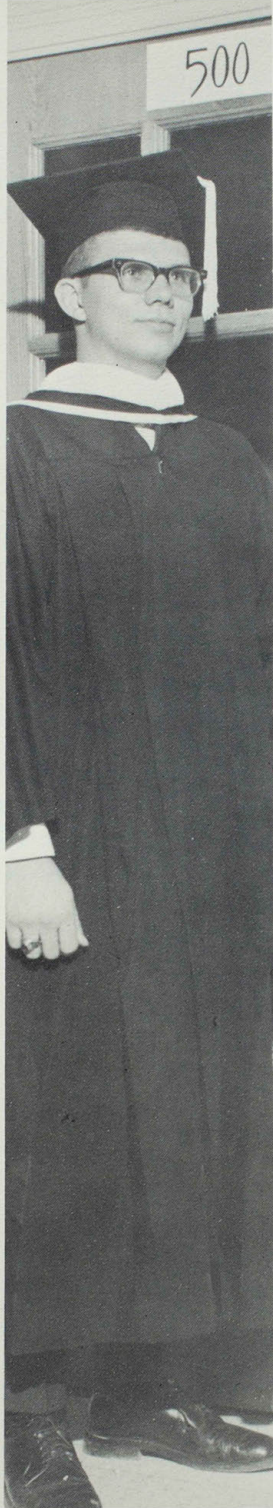

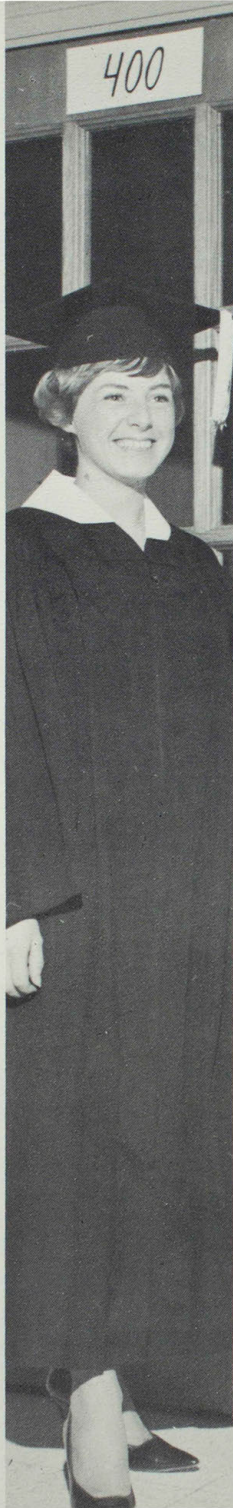

Displaying their winnings of the poultry class, the five top competitors in the annual Turkey Run are engrossed in secret thoughts of feasting. Steve Matukaitis set a new school record by running the 1.9 mile course in 8:54.2.

# MSTC's American Royal Representative

Jeanie Coy was selected as the 1966 MSTC representative in the American Royal Queen contest held annually in Kansas City. Jeanie was sponsored by Alpha Sigma Alpha and selected by the Student Council.

Other candidates vying for the honor were Joeta Prather, Sigma Kappa, upper left; Sandra Tribley, Sigma Sigma Sigma, upper right; and Gretchen Flesch, Delta Zeta, lower right.

Held in Kansas City annually, the American Royal is one of the largest livestock shows in the United States. A queen is chosen from many collegiate candidates to reign over the week-long festivities.

The contest began with the candidates being guests of the Queen Contest Committee at a welcoming luncheon. All candidates were individually interviewed later that afternoon and formal judging concluded the competition that night.

Requiring not only beauty, the contest also stresses charm, personality, and magnetism. The basis of judging is 50 per cent personal beauty, 30 per cent poise, and 20 per cent culture. Climaxing event of the contest was the Coronation Ball held Saturday night for all candidates and their escorts. Formal announcement of the queen and two princesses was made at the Ball.

Jeanie placed fifth in the contest. She is shown on the opposite page, lower left, with the Kansas City skyline in the background, holding the key to the city which was presented to each contestant.

Fall registration brings problems to students, faculty, administration, and staff alike! The "old pros," at left, seem to have little difficulty in finding and getting their desired cards. Having previously been through the registration routine is an

asset. Freshmen are given the edge by being able to pre-register and pay fees during the summer quarter. Each freshman is assigned an adviser who helps plan his schedule, lower center. Transfer students must be matriculated before the

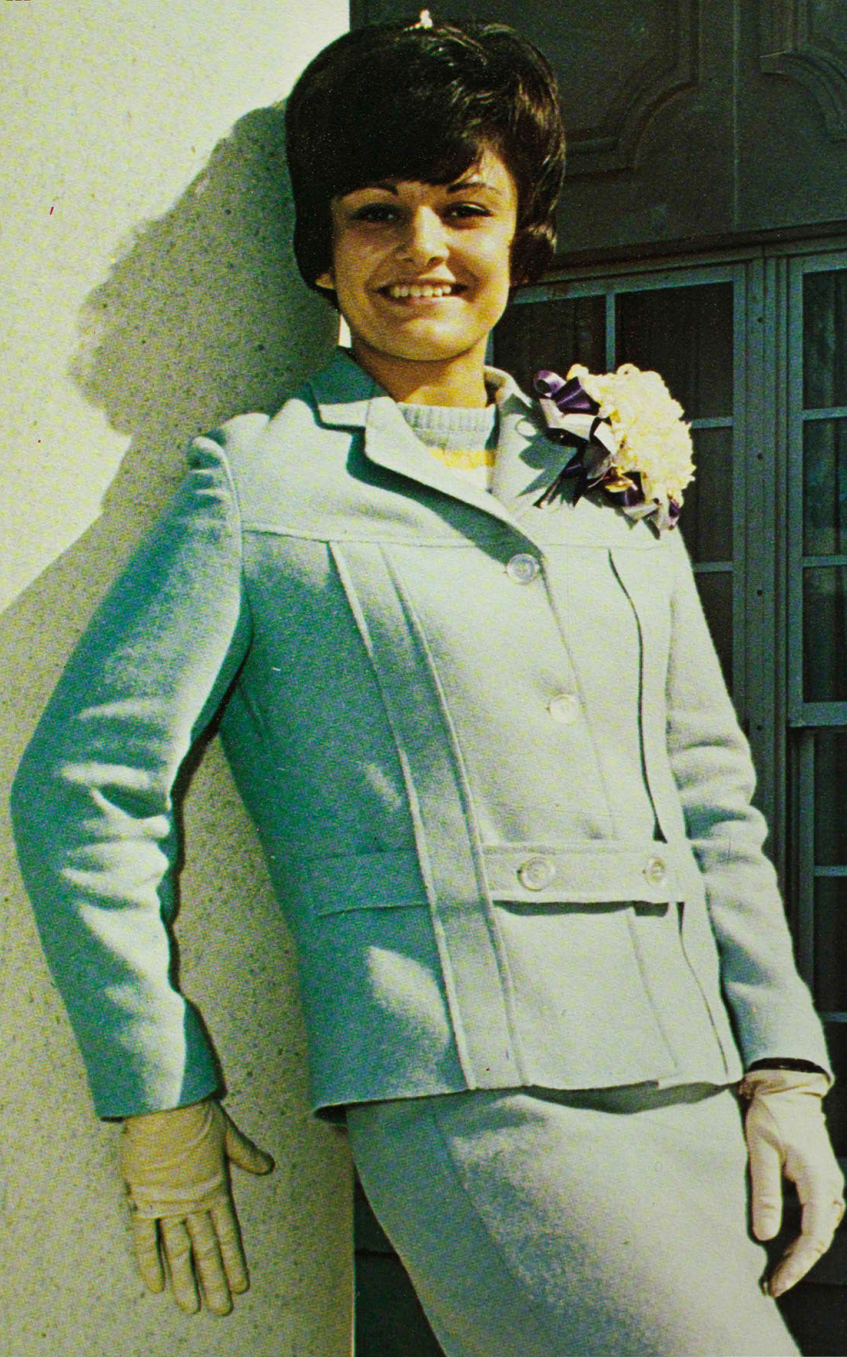

registration procedure can begin, above center. The hour of reckoning is reached, above right, as students receive a transcript of their last quarter's work. Of course, there is always the possibility that grades are being held up for some reason.

At lower right, the confusion and frustration of enrollment is over for another quarter—utter relaxation before classes begin tomorrow.

# Homecoming

Homecoming Eve marked the crowning of Connie Hickenbottom, Alpha Sigma Alpha, as the 1966 Homecoming Queen. Connie was crowned at the pep rally in Stokes Stadium by Paul Comer, Student Council President. Sharron Washington and Bill Seman, Bulldog co-captains, presented the queen with roses.

Donna Crooks, Sigma Sigma Sigma, and Tania Yeager, Independent, were the queen's attendants.

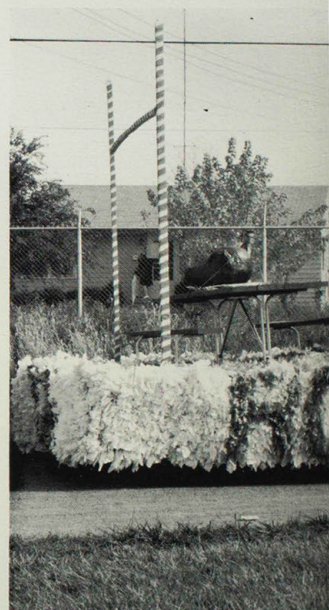

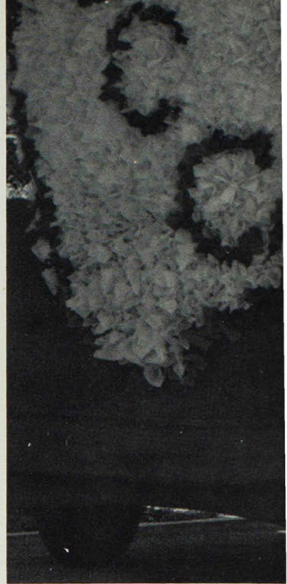

The royalty was selected by the student body from a group of seven candidates. They reigned over the pep rally, parade, game, and dance.

"Centennial Fountain," the Honorary Art - Aeolian club entry, won first place in the Beauty Division of the 1966 Homecoming float competition. Pictured below are left, Tania Yeager; center, Queen Connie Hickenbottom; and right, Donna Crooks.

Homecoming was a time of frenzied activities. Posters, parades, and parties announced the candidacy of seven MSTC coeds. Seated lower left are Connie Hickenbottom, Kay Parker, and Tania Yeager. Standing are Mary Jane Millemon, Donna Crooks, Carol Lay, and Janice Williams. Students

went to the polls in an all-school election to elect the Homecoming royalty, upper left. Many hours of planning, stuffing, and painting produced the artistic and spirited floats of the Homecoming parade. Upper center, the Jaycee's entry, "Flame of a Century," won the off campus division. "Roast

"Em," the Industrial Arts Club float, below center, won the President's Traveling Trophy for the best all-around float. The spirit of Homecoming was somewhat dampened by the 27-6 loss to the Springfield bears. Lower right, Larry Johnsen

and Bill Seman tackle a Springfield ball carrier. Climaxing the Homecoming activities was the dance held in the Rieger Armory. Herman Grimes and the Spectors played before a capacity crowd.

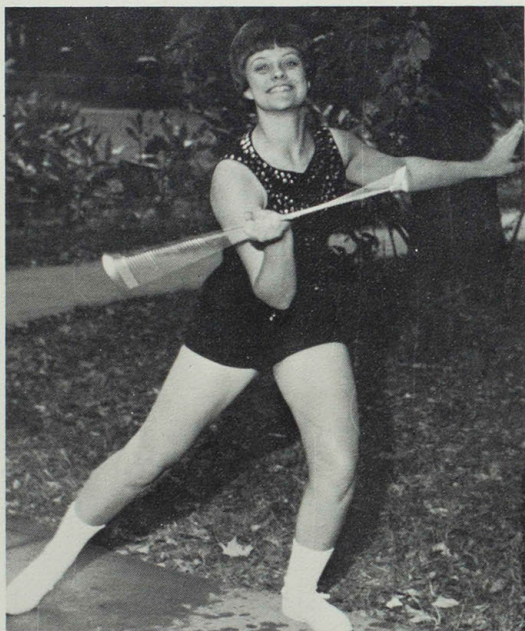

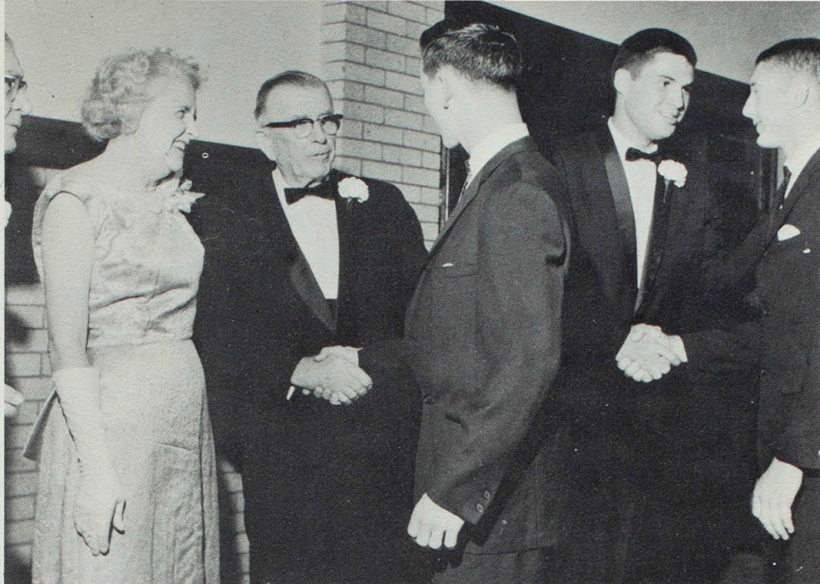

Ferrante and Teicher, left, added lustre to the fall quarter's entertainment with a Lyceum of their special music. An attendance record for Lyceum was set with a standing-room-only performance. Jerry Cottingham, center left, and the

entire "Marching 100" were decked out in new uniforms at the first home football game. Something else new with the "Marching 100" this year was featured twirler Karna Kruckenberg, right center. Karna is a former Illinois State

Twirling Champion. Students were welcomed to the Centennial academic year at the Annual President's Reception, above right. Shown in the receiving line are Dr. and Mrs. Walter H. Ryle and Paul Comer, Student Council president.

Six new members were added to the roster of Blue Key during fall initiation. They were: Seated, Victor Kaylarian, Dennis Spriggs. Standing, James Swann, Bill Duncan, Allen Sontag, Harry Farr.

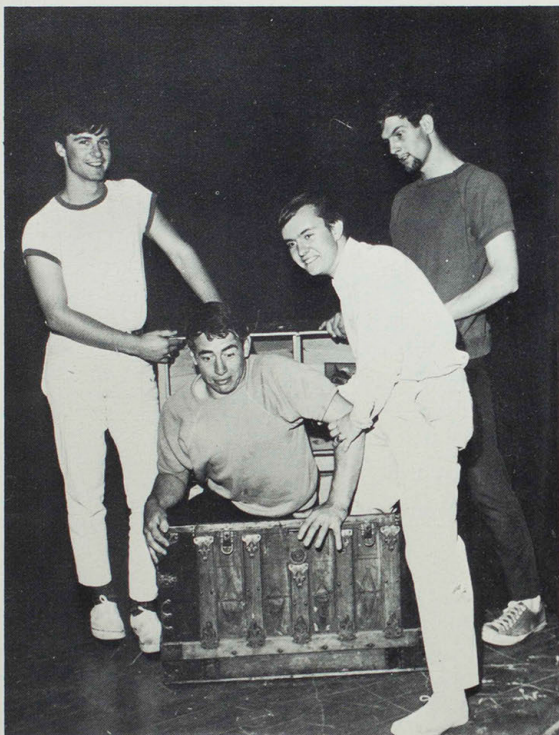

Excitement mounted for the student body as the Student Council presented Johnny Mathis and Our Young Generation in a two-hour concert during the fall quarter. Hours of preparation and ticket selling preceded the actual perform-

ance. A large crowd of students gathered at the Clarence Cannon Memorial Airport to greet Mathis and troupe, below left. Immediately upon arrival, the group went to Pershing for a last minute rehearsal, above center. Paul Comer, Stu-

dent Council president, greeted parents attending annual Parents Day, above left. Activities for the day included a registration coffee, an assembly, and a reception. A Tom Jones-Harvey A. Schmidt musical, *The Fantasticks*, was presented during fall quarter by the College Players, below

right and right. Al Srnka directed and James Severns produced the play. Two extra performances were required to accommodate the large number of students, faculty, and the townspeople wishing to see the play.

Roberta Chornock, left, received the annual Student Nurse of the Year Award as the outstanding member of Student Nurses Association. She represented MSTC in state competition. Senior art student Dwight Downing, below left, displays

work which is one of the art majors' requirements for graduation. Alpha Sigma Alpha racing enthusiasts, Kay Cissna and Peggy Greve, round the track for the homestretch in the go-cart race at the annual Greek Olympics, at right.

Sylvia Sidney, above right, dramatic star of stage and screen, was the comic mother-in-law of the newlyweds in the Broadway play "Barefoot in the Park." The comedy was the second Lyceum program during fall quarter. Matinee and evening

performances were given in order to accommodate anticipated crowds. The newlyweds, Pamela Grey and Don Fenwick who have made appearances in well-known stage and television shows, welcome Mama to their new little home, below right.

Every music major presents a senior recital in his specialty area to fulfill the requirements for a degree. At left, Chuck Ashford and Becky McElroy practice with accompanist Miss Gail Haver for their voice recital. Kristin Maurek, above

left, displays one of her sculptures in the showcase on the second floor of Baldwin Hall. Kris is a senior art major. Laurie Gomez, Garry Cox, and Terry McGlothlin, below center, all members of Oral Interpreters, took part in Oral

Interpretation programs as readers. A highlight of the fall quarter was the Greek Olympics. A shoe scramble, above right, caused utter chaos. Representatives from each of the sororities contributed one shoe to the pile. *U.S.S. Delta Zeta*

was the theme of the first Delta Zeta rush party. Mary Jane Millemon and Phyllis Lesser search for Debbie Howard's anchor name tag, below right.

Bob Kuban and the "In Men," left, played a return engagement for the Student Council-sponsored Christmas Dance. As in past years, cans of food were donated to the Salvation Army. The dance netted 1,150 cans of food for charity.

Class meetings were scheduled early in December to select Echo royalty from the four undergraduate classes. Elected were Wendy Herzberger, Diane Eizenga, Redonda Key, and Patty Cozad, pictured above left. Each year former Kirks-

ville mayor Joe Burdman honors the international students on campus with a dinner. Abdool Hoosein, president of the International club acted as master of ceremonies and presented Mr. Burdman with a gift, below right. Mid January saw the Greeks gathered for an IFC Dance held at the Greenwood

gymnasium, above right. By the late January winter had hit Kirksville with full force. A 20-inch snowfall had its advantages though as talented Teachers College students used the "soft white stuff" to make snow sculptures.

A symphonic drama entitled "From These Roots" opened Centennial activities on January 20. The production, written and directed by Al Srnka, traced the history of the College from its beginning to the present day. The Brass Choir,

Symphony Orchestra, and Nemo Singers joined four readers and a cast of approximately 30 to present the drama. One of the first problems encountered in staging "From These Roots" was costumes. At left and above left, costume fitting

and selection gets the full attention of the crew. The Samuel Pickler scene from the symphonic drama, below left, not only exemplified the costuming of the entire production, but served as one of the highlights of the evening. Humor was

injected with the Middy Girls doing a girls' physical education drill, above right. Director Srnka held many pep talks during rehearsals, below right.

Dr. Walter H. Ryle, president emeritus, delivered the tenth Baldwin lecture entitled "Genesis of the Flame to the Second Century" at the annual Founders Day Banquet held February 7. During Religious Emphasis week, art contest entries were

displayed in Baldwin Hall. At right, Jack Simmons, Mary Beth Mudd, and Ron Morris observe, "Hope for Christianity," the first place winner in the contest. Enthusiastic cheerleader Janie English roots for the Bulldogs in her new purple outfit

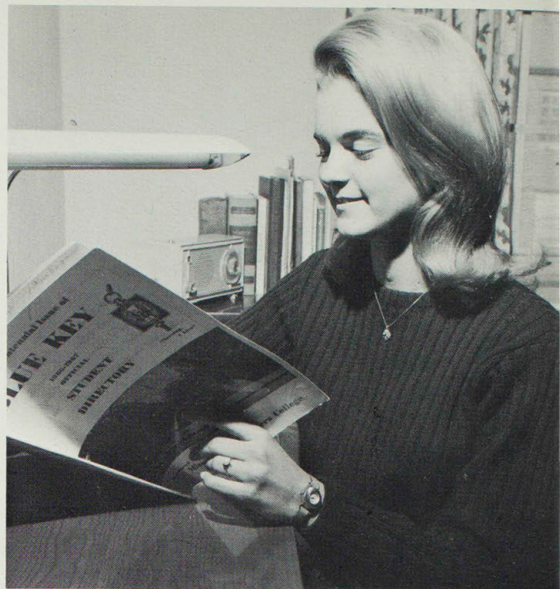

purchased during basketball season. Fall quarter recipient of the K-Club's R.E. Valentine Scholarship was Larry Beshears, junior physical education major. The \$25 scholarship is awarded to the letterman with the highest honor point

ratio. Carlos Montoya presented the first Lyceum program of winter quarter. The world-renowned master of the flamenco guitar has been one of the most widely heard concert performers.

*Oh Dad, Poor Dad, Mama's Hung You in the Closet and I'm Feeling So Sad* was presented by the College Players during winter quarter. Melody Conner receives a little hospitality from Mike Bourne in one of the scenes, above left. Gloria Johnson, above right, uses the Blue Key Directory to

check out dates for Twirp Week, held annually in February. The week's activities included a movie, basketball game, and dance. A Valentine Tea was prepared and given for guests of the Home Economics division on Valentines Day.

# Carson Selects Queen

January 18, 1967

Mr. William Koch  
Editor, Centennial Echo  
Northeast Missouri State  
Teachers College  
Kirksville, Missouri

Dear Mr. Koch:

Many thanks for your very complimentary letter and for selecting me to choose a queen for the Centennial Echo.

Judging from pictures alone is very difficult and perhaps not the fairest way, but as you requested, I have selected a queen and three runners-up. The pictures are marked accordingly; (1) Wendy Herzberger,

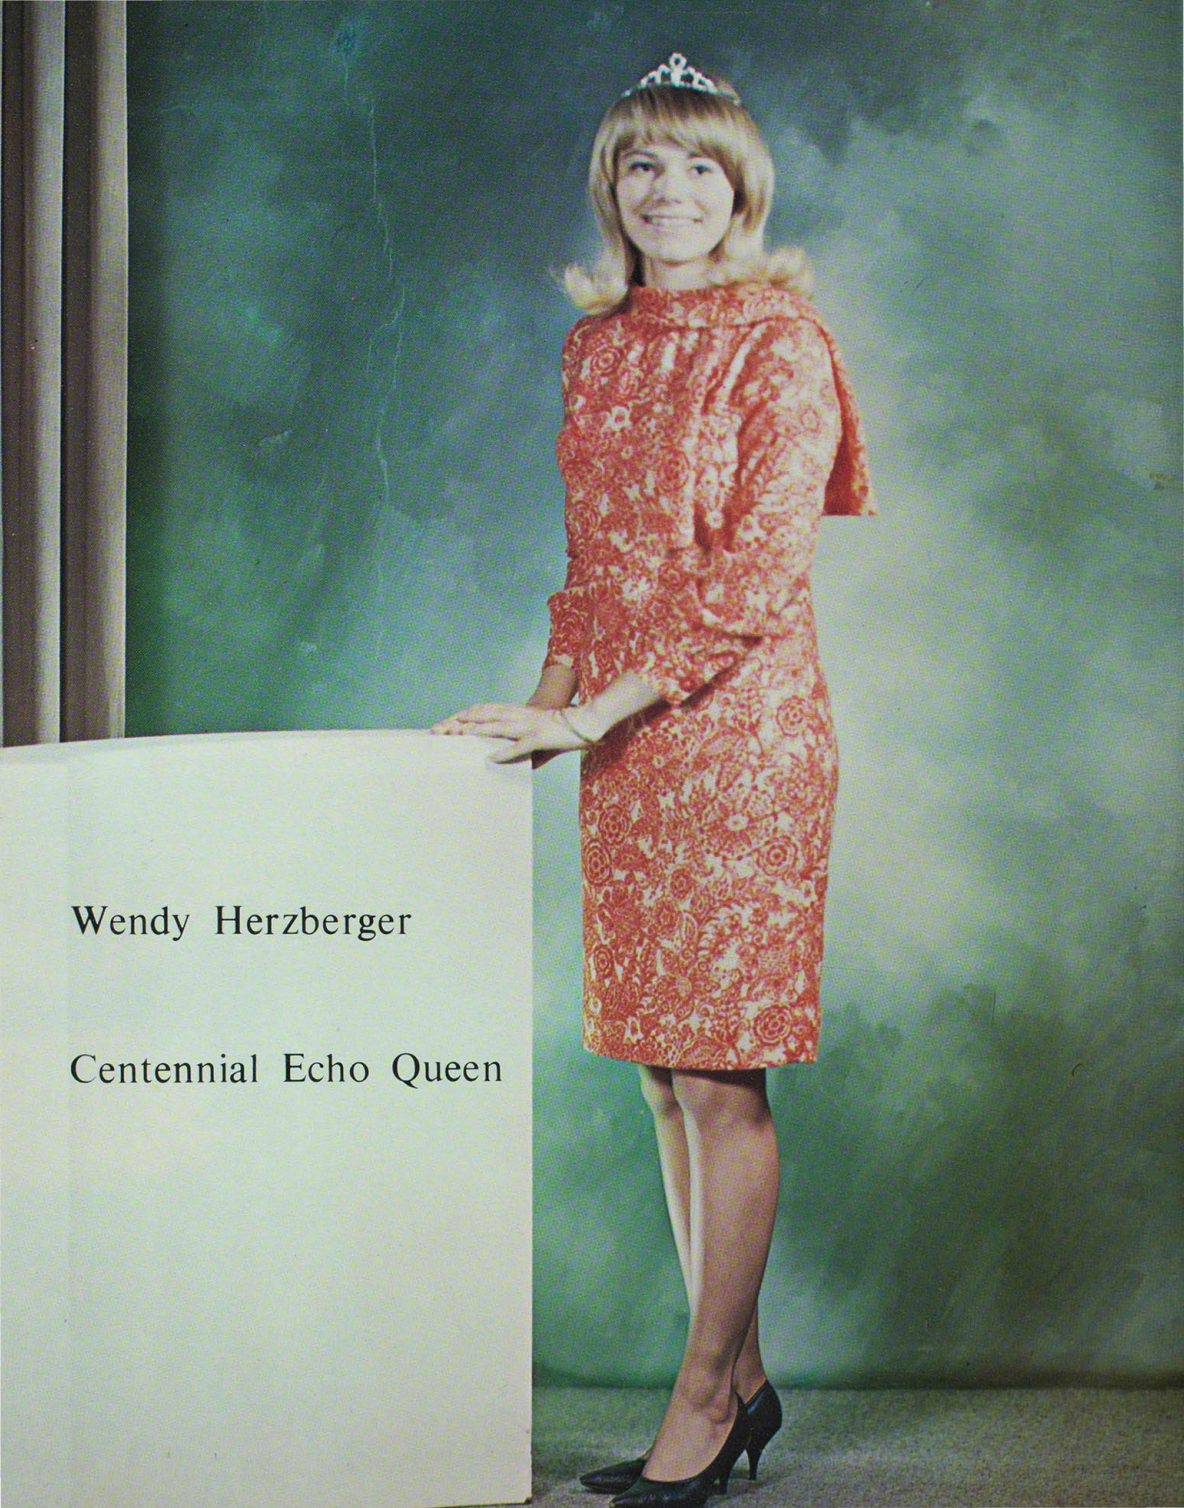

My sincere congratulations and best wishes to all the girls.

Sincerely,

*Johnny Carson*

## Echo

### Staff

Monday nights and quarter breaks . . . final deadline was March 1. Pushing homework, basketball games, and Lyceum programs aside, members of the Echo staff plugged away in their new home — 107 Violette Hall. Poring over pictures, indexing names, and composing write-ups, staff members began to realize the work that goes into producing a yearbook.

Pictures strewn over the tables seemed to have no meaning until Editor Koch wove them into a story. Other staff members then captioned pictures, typed copy, and drew up layouts helping to bring the 1966-67 year to a pictorial close.

Under the supervision of Stanley Williams, this issue of the Echo portrays one of the most memorable years of the Northeast Missouri State Teachers College — its Centennial Year.

Editor Bill Koch and Business Manager Martha Acuff handle top positions.

# Echo

## Staff

Sports Editor Mike Trent looks over proof sheets that photographer Rodney Loesch has submitted for the sports section, upper left. One of the many layouts needed to complete the Echo is being carefully planned by Assistant Editor Dale Barrett, left. Many essential tasks are performed

by staff members at weekly Echo meetings. Below center, Cheryl Wilson, Diane Cushman, and Rebecca Harris are identifying individual pictures for class pages. The making of a yearbook requires many hours of pre-planning before the final copy can be organized. Upper right, Editor Bill

Koch and Adviser Stanley Williams analyze the layout of a page that was previously planned. An important phase of organizing a yearbook is to keep an up-to-date list of student and faculty names and to record the pages on which they appear. Lower right, Business Manager Martha Acuff points

out a name for Assistant Business Manager Joann Zeigler to index. Staff members not pictured are Kathy Guetebier, Ivy Fleagle, and Jill Snyder. A successful yearbook requires the cooperation of all staff members.

## From the Editor. . .

The hardest task for an editor is to write a post mortem to his book. He can hardly put into words what the book means to him, and he realizes that it will serve not only as a remembrance of the year to him but to thousands of others.

To the staff much credit is due for the expense of their time and effort. There is one person to whom the whole staff extends gratitude. Without the perseverance, encouragement, and guidance throughout the year of our adviser, the book would have remained incomplete.

The added responsibility of editing a book that would be a part of the Centennial celebration of the College compounded the weight of the position. It has, however, been a privilege to serve in such a vital role — that of recording history for the Teachers College.
